HOROSCOPES
—By Holiday—

THURSDAY, APRIL 14, 2016

ARIES (March 21-April 19). Certain people who know the facts all too well are likely to aggravate and distort them for their own entertainment. If you take it too seriously, it's confusing. If you don't, it's fun.

TAURUS (April 20-May 20). You strive to leave the world better than you found it, preferably with many smiles in your wake. Your commitment to add good cheer wherever you go will be the side project that becomes a main part of your legacy.

GEMINI (May 21-June 21). Your leisure time is too precious to spend on entertainment you're not that into. Your work time is the same. Just because you're getting paid doesn't mean you should settle for being less than totally excited.

CANCER (June 22-July 22). You are quite vigilant about showing up where you're expected. Don't go soft when it comes to your own schedule! You have one hour to spend on your favorite activity. Plan it, then support and protect the plan.

LEO (July 23-Aug. 22). You're not expecting anyone else to bring you to life, and yet you cannot deny that being around certain people just makes you feel better, more vibrant and more joyful. Bump up the frequency of this with a few invitations.

VIRGO (Aug. 23-Sept. 22). You'll be working on something uncomfortably exciting today. Are you really qualified? No! There is no way for you to be qualified except by taking it on now. That's what makes it a bold adventure.

LIBRA (Sept. 23-Oct. 23). It's your curious attitude that opens the world to you. You never have to worry where this is going next. Being genuinely interested in one thing will immediately link you to the next thing. Trust your intelligence.

SCORPIO (Oct. 24-Nov. 21). The great skill that trumps all the other skills right now is listening. When you do that well, you give yourself a distinct advantage, standing out in a sea of self-involved individuals.

SAGITTARIUS (Nov. 22-Dec. 21). Discussing and accounting for your time will be a key component of this day. It will be useful to keep a log of your activities, especially if those activities involve reading. A thorough approach will produce a rich opportunity.

CAPRICORN (Dec. 22-Jan. 19). It happens every so often that you find yourself in a predicament you don't quite understand. You've achieved many years of wisdom and yet maybe you're still too young for this one. At least it's helping you to ask better questions.

AQUARIUS (Jan. 20-Feb. 18). Impatience and laziness are the evils to combat now, as they will lead to far worse sins. Any tendency in this direction needs to be noted out and replaced with compassion and usefulness.

PISCES (Feb. 19-March 20). Maybe you were going for a certain prize in the beginning, and it's still very important to you that you get this, but the joy of achievement is the true treasure you'll take away from the experience. You'll slow down and savor it.

TODAY'S BIRTHDAY (April 14). This year's theme is the cultivation of wisdom. Kindness draws people to you and they stick around to help you build something beautiful in May and June. Love relationships intensify in August. You'll work closely with a mentor in October and solve a financial dilemma. One goal will turn into a journey through Libra and Sagittarius adore you. Your lucky numbers are: 3, 50, 2, 11 and 18.

RIVER POINT Farms, America's largest grower, packer, shipper and processor of onions, has an immediate opening for a Quality Assurance Manager. The position is located in Hermiston, Oregon. This position manages and coordinates regulatory guidance, training and compliance efforts to ensure that appropriate quality assurance processing and packing standards are met. This position reports to the corporate Director of Food Safety & Quality Assurance.
Job Responsibilities:

- Responsible for the daily direction, development, and performance of Quality Assurance technicians and Sanitation workforce.
- Responsible for Quality Assurance program, including finished goods specification compliance, HACCP, GMP's, SOP's, lot traceability, and food safety regulatory compliance for an agricultural processing facility.
- Responsible for facility audits by 3rd party, customers, and regulatory agencies.
- Provide support to grower GAP compliance and program development.
- Leadership of creating a plant culture motivated to achieve quality goals.
- Effectively interact with operational contacts of customer base.
- Interact effectively with other plant departments and corporate personnel.
- Lead continuous improvement activities, facilitate the launch of new product lines, and participate in new product development initiatives.

Minimum Qualifications:

- Bachelor's degree in Food Science or related field or 10 years of related experience
- Must have a minimum of 5 years as Quality Assurance Supervisor for a food processing entity
- 5 years of demonstrated managerial competencies such as leadership, analysis, judgment, and oral and written communication skills
- Demonstrated experiences of being a change agent within a manufacturing environment.
- High degree of interpersonal flexibility to interact with a diverse group of internal coworkers and external customers
- Industry knowledge in HACCP, GAP's, GMP's, and statistical process control.
- Ability to analyze results of third party audit or inspection and implement procedures to ensure compliance for next inspection
- Experience in onions and peppers a plus
- Bilingual in English and Spanish a plus

This position offers a full benefits package, full relocation package, and a very competitive pay range depending on experience and qualifications.
