HOROSCOPES

—By Holiday—

TUESDAY, APRIL 19, 2016

ARIES (March 21-April 19). The feuding parties will work out their differences in the court of their own making. You'll help with the negotiations and, due to your impartial approach, will strike an agreement with relative ease.

TAURUS (April 20-May 20). "Value" is a tricky word, loaded with the emotional baggage you've tied to it. Good news: Today you've all the cutting devices you need to detach from the meanings that keep you from giving a higher value to your work.

GEMINI (May 21-June 21). Update: Your fantasy life is still contained in your head, and it's not going anywhere without your permission. So be bold in your imaginings! Stellar ideas are born of wild, impossible fantasies.

CANCER (June 22-July 22). A steadfast and inflexible authority will be represented in today's dealings. Upon closer examination, maybe the powers that be are not as rigid as they first seem.

LEO (July 23-Aug. 22). Here's a beautiful dynamic: You ask for help and help is given. The assistance will so closely mirror the thing you asked for that you'll be inspired to ask more specifically the next time.

VIRGO (Aug. 23-Sept. 22). In this theater game, you're an actor, pretending the stakes are very high for you. They aren't. Your great powers of empathy and imagination allow you to play it as such and make the scene all the more convincing.

LIBRA (Sept. 23-Oct. 23). As the thing you are passionate about takes over your being, the "usual" things might suffer neglect. You need those "usual" things! They might fall to the wayside if you're not careful. Do be careful!

SCORPIO (Oct. 24-Nov. 21). Be careful not to get into such a pattern of handling everything yourself that you either forget or refuse to enlist help. Let the others contribute. They'll love you for it.

SAGITTARIUS (Nov. 22-Dec. 21). For as long as you've been alive, the day you were wanting to come to pass – well, it has passed. However far in the future it was, it came. Use inevitability to your advantage. Plan, and commit to the future. It's real.

CAPRICORN (Dec. 22-Jan. 19). There's a lot of confidence that comes with knowing what you are and are not capable of. It doesn't matter what goes in the second category; some of it is going to be wrong.

AQUARIUS (Jan. 20-Feb. 18). You'll receive what you desire, and possibly even in the schedule of your desiring, which, of those two things, is the bigger deal. Timing is everything. When it's going in your favor, don't ask questions; just act.

PISCES (Feb. 19-March 20). You'll enjoy what you do for money - - which is something to celebrate in and of itself. You and your work are a perfect fit at the moment. You know this because of all the fun you'll have today.

TODAY'S BIRTHDAY (April 19). Like a drummer settling into his favorite beat, this year you hit your groove! Through June, everything will click along, rock-steady and solid. July brings the break-out vacation. August represents a merging of families. The money that comes in September is best invested in your education. Aquarius and Scorpio adore you. Your lucky numbers are: 4, 33, 6, 14 and 22.
