HERMISTON

Banner Bank honors two employees

East Oregonian

Banner Bank selected two Hermiston employees as the "Best" among their peers.

Lisa Pederson, operations support manager, and Anabel Rodriguez, Hermiston branch teller, each received the 2015 Banner's Best award for providing outstanding customer service and exceeding their individual professional goals last year. The recognition is the highest the bank gives, according to a written statement from the company, and only 5 percent of all its employees qualify for this award.

Members of the banks executive leadership select recipients for the award to recognize employees "who demonstrate excellence within their professions," the statement said. Mark Grescovich, Banner Bank president and CEO, praised the award winners.

"Our employees are the Banner brand in action, and we appreciate them choosing Banner Bank as the place where they contribute their time and talent — that's at the heart of this award," he said in the statement. "Every Banner's Best recipient exceeded the high standards set for our employees to add value to both the bank and

our clients."
