HOROSCOPES

—By Holiday—

TUESDAY, APRIL 26, 2016

ARIES (March 21-April 19). The deal goes down; the exchange
favors you. You may not immediately feel the force of your good
fortune. Maybe you won't even see how you're on top. Days from
now you'll understand the many benefits of your position.

TAURUS (April 20-May 20). Relationship drama prevails. (SET
ITAL) Is his love true? How do I win her heart? Will the dish run
away with the spoon? (END ITAL) It's too soon to tell the answers.
The important thing is not to agonize.

GEMINI (May 21-June 21). Your desire for achievement can be
like a constant purring need inside you, and it can also be a fero-
cious, roaring hunger. It's the hunger that will motivate today's
choices. Get out of the way, world!

CANCER (June 22-July 22). Those who have been around the
scene a while will try to mentor you, or maybe they are just show-
ing off to impress the new person. Either way, relax and respect,
but don't commit.

LEO (July 23-Aug. 22). This passionate sky could trigger your fire
sign nature in any number of directions - maybe through intense
love, and maybe through anger. Both can potentially affect your
actions before you even realize how you're feeling.

VIRGO (Aug. 23-Sept. 22). There's a way to get what you want
and make another person richer in the process. Keep brainstorm-
ing until you hit on a mutually profitable arrangement. Fire signs
(Aries, Leo, Sagittarius) will be particularly lucky for you.

LIBRA (Sept. 23-Oct. 23). Everyone likes a nice, good, decent per-
son, and most are striving daily to fit the description. So why is it
so hard to be good sometimes? Moments of weakness happen.
Forgive yourself. Forget it. Move on.

SCORPIO (Oct. 24-Nov. 21). The disappointing experience of the
past has created a new dynamic inside you. It feels something like
revenge, but there is no ill intent in this fiery resolve to get power-
ful enough to make things right.

SAGITTARIUS (Nov. 22-Dec. 21). Your work will be like a dance.
You'll move in close and connect in support of a partner. You'll
build trust. You are there to catch one another for those risky
showoff moves.

CAPRICORN (Dec. 22-Jan. 19). Bottom line: The ones who never
fail aren't trying hard enough. You're becoming less and less con-
cerned about looking like a winner. Your need to stretch and test
the limits will override your need to keep up appearances.

AQUARIUS (Jan. 20-Feb. 18). Friends will inspire you with what
they do to stay healthy, attractive and well-fed. Maybe you'll even
try out some of their practices. You have your own rituals, but
you're always adding to that arsenal.

PISCES (Feb. 19-March 20). Being ready to take on the world
starts with looking the part. Take as long as you need; an exten-
sive self-care routine will be worth the effort and money. Your
attention to detail will catch the eye of those you want to impress.

TODAY'S BIRTHDAY (April 26). You've weathered a process of
review and now you'll excel because of it. You'll process and apply
criticism then succeed in ways you've wanted to for years now.
June, September and January are your most lucrative months. Be
wary of large investments for the rest of 2016; small ones will take
you further, believe it or not! Aquarius and Libra adore you. Your
lucky numbers are: 30, 11, 41, 7 and 19.
