HOROSCOPES By Holiday

WEDNESDAY, MAY 4, 2016

ARIES (March 21-April 19). You're terrific at sniffing out trouble. You can look into a person's eyes and see the potential for danger, or walk into a room and feel the level of risk in the air. These talents will be useful today.

TAURUS (April 20-May 20). You're in the mood to stop and wonder, which causes you to consider the origin of everything, including you. It's interesting how you got here, but ultimately what matters is doing the most with where you are.

GEMINI (May 21-June 21). Their behavior is odd at best, irritating mostly, offensive occasionally. And then there's you: totally accepting. This is love. This is tolerance. This is the way to inner peace. This is the way to world peace.

CANCER (June 22-July 22). Comparison, competition, commence - these are the C's that will rule the day if you let them. This is a fierce game you're playing! Rejuvenate this evening with more C's: compassion, calm, centeredness.

LEO (July 23-Aug. 22). There is a strange communion between you and the natural world today. The truth is, this dance is always going on, but you are more keenly aware of it now. Nature is calling on you to set something right.

VIRGO (Aug. 23-Sept. 22). All things come and go. Your ease with this is strongly linked to your moods. Letting things come and go as they please without posing a resistance to either side of the equation will free up a lot of energy in you.

LIBRA (Sept. 23-Oct. 23). The most efficient way to streamline any task or relationship will be to set it up right from the start. Most of the work will be accomplished in the preparation stage, which will last for several hours.

SCORPIO (Oct. 24-Nov. 21). You will enjoy an impassioned, though brief, visitation from the muses. They'll part within an hour, leaving behind a gift - an unadulterated vision. What you do with it from there is your choice.

SAGITTARIUS (Nov. 22-Dec. 21). There's something very seductive about the heated exchanges just outside of your realm. You do crave excitement, but at what cost? It takes maturity to rise above drama and seek your own happiness.

CAPRICORN (Dec. 22-Jan. 19). You'll be called to a quest. There are deals to strike to favor you and yours. In the process, you'll introduce people who wouldn't know each other if you hadn't set out on this path.

AQUARIUS (Jan. 20-Feb. 18). You have the goods. There's talent in one of your back pockets; the other pocket is filled with confidence. You could be the star at any time of your choosing. But right now there is more benefit in being a team player.

PISCES (Feb. 19-March 20). Regardless of how nice and positive people may be, it's still toxic to spend all your time in the same group. Change it up. Seek the kind of company that activates your imagination and motivates you in new ways.

TODAY'S BIRTHDAY (May 4). Your solar return emboldens you to grab at the things you would have let pass you by only last year. Your opportunities will multiply as they are seized. June features someone who challenges you, makes you laugh and gives you your preferred brand of trouble. Education will be your great passion in July. Love signs are Taurus and Aquarius. Your lucky numbers are: 4, 22, 31, 9 and 50.
