STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING *
The City will increase the sewer rates by 25% (\$7 to residential users), as part of the incremental increases to meet the \$40 required threshold. Meeting this threshold will make the city eligible for a \$1.4million grant to help pay for the required lagoon upgrade. The Public Safety Surcharge ordinance of 2010 provided for a \$6 monthly surcharge to assist in funding a three man police department. Although we expect to be back up to staff in the next few months, we are only increasing the surcharge from \$3 a month to \$3.50 for this next fiscal year. Increases to personal services reflect an increase in medical insurance costs, PERS as well as a 1% wage increase.
