#### By TAMMY MALGESINI East Oregonian

Drive, ride, push or pull - the Automobile Club of Echo High School's annual car show is next weekend.

More than two dozen custom-made trophies created by car club members and students in art and shop classes — will be handed out. Awards include vehicles by the decade, best muscle car, best truck, best low-rider, best motorcycle and best of show. And, for the less than perfect ride, "Best Work in Progress" and "At Least I Have a Car." Also, pedal in with a chance to win best bicycle.

The A.C.E. Car Show is Saturday, May 28 from noon to 5 p.m. in downtown Echo. Vehicle registration begins at 10 a.m. The entry fee is \$20, or \$5 for students.

Unique custom-made trophies will be handed out during the A.C.E. Car Show. Organized by the Automobile Club of Echo High School, this year's event is Saturday, May 28 in downtown Echo.

the show by lining their vehicles along the sidewalk at Echo High School. Later held on the football field, it moved downtown several years ago. Last year's event attracted 174 entries.

"Every year it keeps getting bigger," said Rick Denning, who got involved with the event in 2011. "I hope we don't run out of room."

In addition to cars, trucks, motorcycles and bicycles on display, the event includes fundraisers by the school's football (barbecued hamburgers and hot dogs) and volleyball (Italian soda bar and a 50-50 raffle) teams.

Denning initially got involved with the car club when his children were in school. A mechanic by trade, he continues to give back by providing support to the students.

"When kids are interested in something, there needs to be an avenue to follow through with their interests," Denning said.

Each year, members of the club determine what to do with money raised. Over the years, the group has attended drag races, monster truck races and the Portland Roadster Show. In addition, they have worked on student cars, as well as purchasing and working on a project car. For more information,
