Pendleton residents receive Ford Family scholarships

EUGENE — Local students were awarded scholarships for the 2016-17 academic year from the Ford Family Foundation. The Foundation selected 106 students out of 6,049 applicants from Oregon and Siskiyou County, Calif., as 2016 Ford Scholars. Eligibility criteria include financial need and merit qualifications. In addition, scholars must attend an accredited, nonprofit college in their home state and be pursuing a bachelor's degree full-time. The renewable scholarship covers 90 percent of each student's unmet financial need for each academic year. Local students chosen include Edith Velasco of Boardman (Riverside High School), who will attend Oregon State University; Robert Coleman of Hermiston, who also will attend OSU; Nathaniel Verley of Irrigon, who plans to attend Warner Pacific College; Grant Banister of Pendleton, who will attend Oregon Institute of Technology; and Armando Mendoza of Umatilla, who plans to attend Clackamas Community College. And Pendleton residents Terri Clark and Greg Jones were among 41 students selected as new scholarship recipients of the Ford Opportunity Program. Clark

and Jones plan to attend Eastern Oregon University. This year's Ford Opportunity Scholars were chosen from 280 applicants. The late Mrs. Hallie Ford, who established the unique scholarship program in 1996, wanted to help college students who face the additional responsibilities of being single parents, by providing financial assistance, advising and support services. Eligibility criteria include financial need and merit qualifications. In addition, recipients must be single "heads-of-household" and pursue a bachelor's degree full-time at an accredited, nonprofit college in his/her state of residence. The renewable scholarship covers up to 90 percent of each student's unmet financial need for college. Hallie and Kenneth Ford created The Ford Family Foundation in 1957 after the business they founded, Roseburg Forest Products Co., had experienced two decades of growth. Other scholarships supported by the Foundation include the Ford ReStart Scholarship Program and The Ford Family Foundation Scholarship Program for Sons and Daughters of Employees of Roseburg Forest Products Co. Since 1994, the Foundation's scholarship programs have awarded more than \$157 million. Dirt Dabblers award annual scholarship PENDING — The

Dirt Dabblers Garden Club recently awarded a \$1,000 scholarship to Blue Mountain Community College student Angel Murrillo. Angel will graduate from BMCC in June, and plans to find work in the agriculture industry. He is the son of Trino and Rosa Murrillo of White Salmon, Wash.

Perez awarded diversity scholarship

PENDLETON — Pendleton High School Senior Olivia Perez is the 2016 recipient of a \$500 Roberta Frazier Anderson Diversity Scholarship, presented by PFLAG Pendleton. Perez has been admitted to Lane Community College, Eugene, for the fall semester of 2016. She is the daughter of Angela Simms and Jose Perez, and stepdaughter of Kimberly Perez. Members of PFLAG Pendleton established the Diversity Scholarship in 2015 in Anderson's honor to recognize Pendleton High School graduating seniors who exemplify the qualities of leadership and commitment to social equality to which Anderson, a longtime member of PFLAG, dedicated her life. PFLAG is dedicated to advancing equality and full societal affirmation for all people through its threefold mission of support, education, and advocacy.
