Garton & Associates (541) 276-0931

By Holiday
SATURDAY, MAY 28, 2016
ARIES (March 21-April 19). Life is a bit like a reality cooking show. At some point, the timer rings and every chef has to throw up hands and back away from his or her creation. Keep smiling. Your attitude is part of the presentation.
TAURUS (April 20-May 20). The predicament is that you have more than you need, but it's not necessarily what you want. The answer is to pull the word out. A trade or fortuitous sale will rock your world.
GEMINI (May 21-June 21). In order to arrive at the next port together, someone has to be steering the boat at all times. It doesn't have to be the same person. You can and should switch off, consciously and carefully.
CANCER (June 22-July 22). Your secret may be small and dull, but no one will know that as long as you keep it to yourself. So be elusive and pretend you have something juicy. They don't care what the mystery is; they just care that there is one.
LEO (July 23-Aug. 22). If your life were a physical space, you would want to fill it with something totally gorgeous or nothing at all. Strongly consider the latter now. Voids can be peaceful. Wide-open monochrome skies stretch like promises.
VRGO (Aug. 23-Sept. 22). The struggles you've experienced in life are what allow you to have such compassion for those who are going through a hard time right now. Your willingness to listen without judgement is a rare gift.
LIBRA (Sept. 23-Oct. 23). Same story, different audience. You'll be fascinating to one person, funny to another and adorably vulnerable to the next. How you're received is out of your control. Give what you give and see what happens.
SCORPIO (Oct. 24-Nov. 21). Those who hear "yes" too often don't know what to do with the word "no." Some take it hard while others won't even accept it and will proceed as though it was never uttered. Stay firm in your answer, whatever it may be.
SAGITTARIUS (Nov. 22-Dec. 21). Protecting your joy is just as important as safeguarding your health and well-being. If it's getting in the way of your fun, deal with it swiftly. Swat it like the pest it is, metaphorically speaking, of course.
CAPRICORN (Dec. 22-Jan. 19). Formality has its place. Social patterns are reassuring. You'll build excellent rapport with someone as you display commonly accepted behaviors and a relatable sense of internal structure.
AQUARIUS (Jan. 20-Feb. 18). There's a sense that the danger has passed, the awkwardness is over and everyone can breathe easy before getting back to what they were doing before the disruption.
PISCES (Feb. 19-March 20). Three will be the magic number that brings luck to you today. It will be the ideal number of meals to eat and items for your to-do list, and it will be the perfect head count for your dinner reservations as well.
TODAY'S BIRTHDAY (May 28). You'll go in to this year with the sense that everything is linked in purpose, whether or not that purpose is known. Your hope and optimism will attract angelic characters to you - truly affectionate and helpful souls who are committed to seeing you shine. August brings a big sale. The win goes to you in October. Pisces and Leo adore you. Your lucky numbers are: 3, 16, 38, 45 and 10.
