STATEMENT OF CHANGES IN ACTIVITIES and SOURCES OF FINANCING			
It is very important to note that PERS increases are on the horizon. Without significant increases from the State School Fund, we may face cuts in the 2017-18 budget to address the rising cost of PERS. The Board has elected to seek a renovation bond to address a myriad of maintenance needs in our facilities. Should this bond not be approved by the voters, we will also face cuts in other areas to provide for the facility updates necessary to adequately maintain our aging facilities. We believe this budget proposal represents a plan that will allow us to maximize opportunities for students to the greatest extent given the continued funding challenges present in Oregon education.
