STATEMENT OF CHANGES IN ACTIVITIES AND SOURCES OF FINANCING

On May 19, 2015, the voters in Umatilla & Morrow Counties approved a General Obligation Bond Levy of \$23,000,000. These bonds were sold in August 2015. The beginning fund balance includes a large portion of these funds. The 2016-17 Budget includes \$25 million in Facility Acquisition & Construction for the anticipated completion of the majority of the projects funded by these bonds. This budget also contains increased debt service payments which include repayment of the new General Obligation Bonds. In addition, the College is anticipating an increase in student enrollment for 2016-17 as a result of the new Oregon Promise program. This has resulted in a budget increase in Tuition & Fees. The College has also budgeted for a General Fund Operating Contingency for 2016-17 and has set funds aside for innovation projects during the year. Other changes worth noting are that anticipated grant funding changes have resulted in shifts between budget classifications, an increased transfer is budgeted from the General Fund to the Building Fund, and the College has added intercollegiate soccer programs resulting in increased operational costs.
