AP: Clinton has delegates to win Democratic nomination

LOS ANGELES (AP) Striding into history, Hillary Clinton will become the first woman to top the presidential ticket of a major U.S. political party, capturing commitments Monday from the number of delegates needed to become the Democrats' presumptive nominee.

The victory arrived nearly eight years to the day after she conceded her first White House campaign to Barack Obama. Back then, she famously noted her inability to "shatter that highest, hardest glass ceiling.

Campaigning this time as the loyal successor to the nation's first black president, Clinton held off a surprisingly strong challenge from Vermont Sen. Bernie Sanders. He

mobilized millions with a fervently liberal message and his insurgent candidacy

revealed a deep level of national frustration with politics-as-usual, even among Democrats who have controlled the White House since 2009.

Clinton, the former secretary of state, New York senator and first lady, reached the 2,383 delegates needed to become the presumptive Democratic nominee on Monday with a decisive weekend victory in Puerto Rico and a burst of last-minute support from superdelegates. Those are party officials and officeholders, many of them eager to wrap up the primary amid preference polls showing her in a tightening race with presumptive GOP nominee Donald Trump.

Clinton has 1,812 pledged delegates won in primaries and caucuses. She also has the support of 571 superdelegates, according to an Associated Press count.

Allegations of human rights violations in Fallujah fight

CAMP TARIQ, Iraq (AP) — As Iraqi security forces tighten their grip on the outskirts of militant-held Fallujah allegations of human rights violations are surfacing on both sides of the operation.

On Monday, hundreds of civilians, many bearing marks of torture were released north of Fallujah after being detained by a group of government sanctioned mostly Shiite militias. Five of those detained died while in the group's custody according to Yahya al-Muhamadi, an Anbar council member working with displaced civilians.

The militia forces, known as the Popular Mobilization Forces, are one of a number of different Iraqi security forces participating in the operation to retake Fallujah from the Islamic State group

that has controlled it for more than two years

The Popular Mobilization Forces deny that their fighters detain civilians.

"We are not authorized to detain anyone, we are just helping to move displaced people," said Hayder Mayahii, an official with the PMF's media office based outside Fallujah. Mayahii said his office was aware of the reports, but said they were completely false and the product of media bias.

Jury returns death sentence for 'Grim **Sleeper' serial killer**

LOS ANGELES (AP) - A serial killer known as the "Grim Sleeper" should be sentenced to death for murdering nine women and a teenage girl over more than two decades in South Los Angeles, a jury decided Monday.

stared straight ahead and showed no emotion as a

court clerk read 10 death penalty verdicts.

Family members of the victims cried as the verdicts were read. One rocked back and forth, while another whispered to himself, "Thank you."

'We got what we came to get, a just verdict," said Porter Alexander, the father of 18-year-old victim Alicia Alexander. "I'm glad I lived to see it.'

The 63-year-old Franklin, a former city trash collector and garage attendant for Los Angeles police, was convicted of 10 counts of first-degree murder last month for crimes dating back more than 30 years.

Power outages, flooding due to tropical storm

TAMPA, Fla. (AP) - Heavy rains from Tropical Storm Colin hit north Florida and southern Georgia on Monday, knocking out power in some areas and flooding roads on the Gulf coast.

Residents filled sandbags, schools closed early and graduation ceremonies were postponed as Gov. Rick Scott declared a state of emergency.

The National Hurricane Center said Colin marked the earliest that a third named storm has ever formed in the Atlantic basin.

Colin was moving north-northeast at 23 mph (37 kph), and its center was about 35 miles southsoutheast of Apalachicola at 8 p.m. Maximum sustained winds were measured at 50 mph with higher gusts.

Early Monday, Ronald P. Milligan, 74, stopped by a park in St. Petersburg where authorities planned to distribute sandbags because the ditch in front of his home had filled during the previous evening's rain.
