HOROSCOPES By Holiday

WEDNESDAY, JUNE 15, 2016

ARIES (March 21-April 19). People who go to work merely to earn money are thinking much too small. The work you'll do today is an opportunity for you to express yourself. The nature of the job doesn't matter; every job is an expression of your spirit.

TAURUS (April 20-May 20). The mistake was an honest one, but that doesn't make it all OK. Forgive but take the time to examine and make a plan that will prevent the same problem from happening in the future.

GEMINI (May 21-June 21). Get the hard work out of the way first. Handle that phone call you're dreading or an unpleasant bill of litem. There will be something juicy to escape into this afternoon.

CANCER (June 22-July 22). You've admiration for the people you're close to. You choose them for a reason, and that reason will be apparent as the day unfolds. Your life gets a little easier with each positive thought.

LEO (July 23-Aug. 22). It takes guts to ask for what you need, and the more you need or want the thing the harder it is to ask for it. That's why this afternoon's move is remarkable - valiant even.

VIRGO (Aug. 23-Sept. 22). Love shouldn't hurt this much. Consider that what you're going through isn't really about love at all. Rather, it's about working out power dynamics. And don't worry; it doesn't have to be solved in a day.

LIBRA (Sept. 23-Oct. 23). Someone has taken a liking to you and wants to see where the relationship will lead. Whoever it's going, it will get there fast as circumstances roll your common needs and interests together.

SCORPIO (Oct. 24-Nov. 21). Maybe you're not where you want to be, but you'll get there. There are always taller peaks to climb. Stop and enjoy your current elevation. Life doesn't have to be all struggle and striving.

SAGITTARIUS (Nov. 22-Dec. 21). You'll get calm and centered, and you'll think about what's best for the whole community, realizing that it doesn't matter who is first or last. What matters is that everyone is taken care of when it's needed most.

CAPRICORN (Dec. 22-Jan. 19). There are these small acts that go against what you're trying to achieve. Mostly, this is about habits and/or unhelpful patterns of thought you really don't need anymore. You're ready to give it up.

AQUARIUS (Jan. 20-Feb. 18). Knowing what to ignore is extremely important today. You can't take it all in -- or even take most of it in. With every selection you make, you'll be building a signature style.

PISCES (Feb. 19-March 20). Your friends won't disappoint you. You have been so faithful and loyal and constant. They only want to give you the same. Let them take care of you for a change.

TODAY'S BIRTHDAY (June 15). Love at first sight isn't so uncommon, and you'll experience it before August is through. Also, you'll experience the wonderful kind of love that comes through years of gazing on the same face. July and November represent financial opportunity. September and January are the best for travel. The last Pisces and Scorpio adore you. Your lucky numbers are: 4, 39, 11, 22 and 18.
