Thaw, who was apparently enraged over what he viewed as White's defilement of his wife, Evelyn Nesbit, when Nesbit was a teenager. (Thaw was acquitted of murder by reason of insanity.)

ODDS & ENDS

Uber driver returns lost money to poker player

LAS VEGAS (AP) — A World Series of Poker player says he hit an "emotional jackpot" thanks to an Uber driver who returned his \$7,000 ante.

Jacob Brundage, of Lakeland, Florida, told the Las Vegas Review-Journal that he lost a tote filled with cash and playing chips June 1.

The 39-year-old says he realized the bag was in an Uber car that he rode from The Venetian to the Rio.

Brundage failed to reach the driver through the app and enlisted a group of waiting Uber drivers to help.

The driver, who wants to remain anonymous, called Brundage and returned the bag.

Brundage gave him \$200 as a reward.

Uber spokeswoman Maui Cheska Orozco says this is likely the most expensive item ever left in an Uber car in Las Vegas.

Snake falls from car's dashboard onto driver's feet

FAYETTEVILLE, Ark. (AP) — An Arkansas woman escaped injury and managed to safely stop her car after a four-foot-long rat snake came out of her dashboard and slithered across her feet as she drove on Interstate 49.

Although rat snakes aren't venomous and aren't generally a threat to people, Kelly Swisher says the snake felt "rough and scaly" and gave her a "nails on a chalk board" sort of feeling. She also says she doesn't even remember if she kept her hands on the steering wheel during the incident Thursday.

She says the snake first slithered back into the dashboard but then came back out and made its way into the back seat, allowing her to get off Interstate 49 and get out of the car.

Animal control officers came and captured the snake.
