HOROSCOPES By Holiday

THURSDAY, JUNE 30, 2016

ARIES (March 21-April 19). What's making it work? What's holding it up? Your attention to the internal structure will be a theme today.

TAURUS (April 20-May 20). The thing about good timing is that often if you pause to consider the right timing, the timing of that pause messes up the rhythm.

GEMINI (May 21-June 21). What is it about that distracting person in your life who always seems to need the kind of help that has you suddenly snagged into the vortex of his or her world?

CANCER (June 22-July 22). The best persuasion is barely felt, as soft and consistent as water lapping the shore, carving the landscape.

LEO (July 23-Aug. 22). Clarity of mind will come when the stress is reduced and sense of freedom is expanded.

VIRGO (Aug. 23-Sept. 22). Good sense tells you when to resist a natural attraction and when to yield to it, as resistance is both futile and a waste of your precious energy.

LIBRA (Sept. 23-Oct. 23). Today's interaction has the potential to get confusing. Don't let it! Understand yourself first, what you're looking for, what you need from the situation, then turn that understanding outward.

SCORPIO (Oct. 24-Nov. 21). You think you should be able to do your work in any state of mind. Well, guess what: That's an unreasonable belief.

SAGITTARIUS (Nov. 22-Dec. 21). Who most needs a miracle? When you focus on that person, your own thinking will become sharp, your purpose will become clear, your selflessness will make it comfortable to be you.

CAPRICORN (Dec. 22-Jan. 19). How long your current situation is likely to last matters a lot less than what you do with your time.

AQUARIUS (Jan. 20-Feb. 18). If your project is worthy of you this will be one of your favorite days. So choose carefully.

PISCES (Feb. 19-March 20). Try to create solidarity within the group. It won't be easy, but when you can successfully meld, if only with one person and for a moment, the group will bond and the next three things that happen will be pure magic.

TODAY'S BIRTHDAY (June 30). Your heart is true and you express it beautifully, to tender and enthusiastic reception.
