HOROSCOPES

ARIES (March 21-April 19). You can't make other people happy if they don't want to be. But for the most part, they do want to be, and all it takes is a little sweetness from you today to push them into cheerfulness.

TAURUS (April 20-May 20). You're in the mood to blast outside of your known realm to experience something practically unrecognizable to you in your current version of reality. For maximum security in this venture, take a guide.

GEMINI (May 21-June 21). The job on the table today is so big and involved, there's no way you can accomplish it single-handedly. With both your hands and two or three capable people on your team, you'll work miracles.

CANCER (June 22-July 22). You've chased after dreams before - and caught a few, too. Then there are those you lost in the pursuit; maybe you even felt like you lost yourself. Because you had that experience, you'll help someone else today.

LEO (July 23-Aug. 22). The only people who never fail are those who never try. Your courage is turned up, and you're even more receptive to intuition than usual. One remarkable move could change everything for you.

VIRGO (Aug. 23-Sept. 22). The offer on the table will last three days. So, though there's time to think it over, you should also know that the longer you waffle your hands in indecision, the less enthusiastic the other party will be about the deal.

LIBRA (Sept. 23-Oct. 23). Shared joy multiplies; it's the same with optimism and excitement. In the sharing of grief, the opposite emotional math occurs. This is why you don't mind a friend unburdening on you. Together you'll make the load bearable.

SCORPIO (Oct. 24-Nov. 21). You have people in your fold who are more animated than the others, always with extra excitement going on. They take more energy, but they also generate more energy. Today you'll find them quite worth the effort.

SAGITTARIUS (Nov. 22-Dec. 21). It's a funny world you're in and it will almost seem as though the people around you are deliberately putting on a comedy just for you. Your kindred one will see the humor, too.

CAPRICORN (Dec. 22-Jan. 19). Decisiveness is a part of you now - it's in your bones. When you make a move, you'll do it quickly so only the ones who are tuned into you will have time to track it and join you or counter your efforts.

AQUARIUS (Jan. 20-Feb. 18). Pleasantness and good cheer is a talent. There's a bubbly charm inside you, but you don't always feel it's appropriate to release it. You can turn on this effervescence at will.

PISCES (Feb. 19-March 20). You're powerfully tuned in to the physical world, and as you move your body, this connects you to the world beyond, where secret knowledge is imparted and creativity flows strong.

TODAY'S BIRTHDAY (July 5). Take charge and decide what your experience will be. A honest version of your last plan will work this time. August brings the money you need. In January you'll trade an unhealthy habit for a healthy one, and oddly enough, it's an effortless process. February will bring peace to a relationship that's been historically rocky. Aries and Sagittarius adore you. Your lucky numbers are: 5, 19, 2, 31 and 15.
