HOROSCOPES - By Holiday

FRIDAY, JULY 8, 2016 ARIES (March 21-April 19). You're willing (even obligated and relieved) to tell the truth. The question is: Which truth should you tell? Not all truths are relevant. Some truths are none of your business. TAURUS (April 20-May 20). Spreading good vibes is your specialty and it takes no effort at all for you to do so. You're in the habit of saying something positive to everyone who crosses your path. GEMINI (May 21-June 21). What if you could only talk in emojis? In a way, this is the case today, because no matter what you say or hear, the emotion of it will come through at a much higher volume than the actual sound. CANCER (June 22-July 22). It feels good when you wake up in the morning and the sun comes through to blow out the mental cobwebs and illuminate the main shining purpose on your mind. One beautiful thought carries you through. LEO (July 23-Aug. 22). What others expect of you is not half as important as what you expect of yourself. Surround yourself with people who want you to be your best but accept and love you still when you are at your worst. VIRGO (Aug. 23-Sept. 22). If you don't know the tricks and tips, you'll wind up working twice as hard as the ones who do. Before you dive into the task, ask if there's a way to do it better, faster, cheaper or smarter. LIBRA (Sept. 23-Oct. 23). The short answer is the best answer. Don't feel obligated to let people in on the whole story, or any part of the story you don't want to tell. Maintain your privacy and you'll also grow a glamorous air of mystery around yourself. SCORPIO (Oct. 24-Nov. 21). In big cities it's not uncommon to be but a few short blocks from a rough neighborhood. Knowing how close to danger you are will help you avoid it. SAGITTARIUS (Nov. 22-Dec. 21). When you look into the eyes of another fire sign (Aries, Leo or a fellow Sagittarius) you'll see a passion you can relate to and you'll feel an energy that matches your own. CAPRICORN (Dec. 22-Jan. 19). When it's your turn, the conversation is stellar. But just because you have the gift of gab doesn't mean you always want to be talking. In fact, to some degree you crave solitude. You certainly appreciate comfortable silence. AQUARIUS (Jan. 20-Feb. 18). Make the decision now. If you postpone it, you'll only be creating clutter and disarray for yourself. Tonight: Arrange, consolidate, sort, structure, plan. These are the verbs that will make your life better. PISCES (Feb. 19-March 20). Maybe the spark wasn't immediate, but your connection has grown over time into an undeniably solid situation. Now how can you inject this with more fun? TODAY'S BIRTHDAY (July 8). The year is marked by a sense of accomplishment as you tick off about 12 significant items from your long-term list before the year is up. This month brings an exciting trip. You'll land a deal in August and put the money in the bank in September. November brings a big bonus. Libra and Scorpio adore you. Your lucky numbers are 50, 44, 29, 19 and 31.
