UESDAY, JULY 12, 2016

ARIES (March 21-April 19). Simplicity and economy will get you in shape for the battle ahead. In other words, it's time to get lean and mean with your project so you'll have the strength and resources

TAURUS (April 20-May 20). Is this a time of want or a time of plenty? The fact is that you do have plenty, but it's not plenty of what you really want. Shed what you don't need and rid yourself of

GEMINI (May 21-June 21). You are socially susceptible in the best ossible way. When you see a person doing good, you immediately adopt the same behavior. When you encounter a fault in another, you immediately examine and eradicate your own.

CANCER (June 22-July 22). You had one way to accomplish things, and now the bigger, better tools give you several ways. Is your work going to be better because of this? It's doubtful, at least at first. But as you learn, things will get better. Be patient.

LEO (July 23-Aug. 22). There's a reason you're in the place where you are. The people around you need you. You won't be able to nelp or see all whom you wish to connect with, but don't let that

discourage you from touching the ones you can reach. /IRGO (Aug. 23-Sept. 22). There is no way to be perfect at the job

you're doing, but there are a million ways to be good at it. Stop worrying so much, and commit to doing your best with each small LIBRA (Sept. 23-Oct. 23). This is a day when it behooves you to

quietly maintain your own privacy. Reveal nothing, be cautious in vhat you say and don't even think about posting pictures to socia nedia of your whereabouts or your meals

SCORPIO (Oct. 24-Nov. 21). It is amazing how many will take a pious stand, judging the others for not believing or behaving as they do, meanwhile not even bothering to uphold the basic values of honesty, decency and common sense.

SAGITTARIUS (Nov. 22-Dec. 21). You're so ambitious right nov that there is simply no way you'll have the time, energy sources to do everything you want to. Make a list and prioritize t. Planning will be the key to your success.

CAPRICORN (Dec. 22-Jan. 19). Of course winning is important to you, but try not to lose sight of what really matters -- the usefuless and help you provide others. If you make even one person's life easier today, you've won.

AQUARIUS (Jan. 20-Feb. 18). There are those who naturally fall within the bell curve of normal behavior, and there are those who have to work hard to fit in. Be kind to those in the second category, as you'll be their guide and solace today.

PISCES (Feb. 19-March 20). You've an open mind and a lot of

compassion for the guiet thinkers around you. You're in this cate gory, too, today, doing the invisible work that is every bit as hard s the work that makes one sweat. TODAY'S BIRTHDAY (July 12). Your year starts with the excitement of being adored. Can you take this much attention? You'll find out in the weeks to come as it will continue being heaped

upon you. There's a promotion in September and an expansion to your domestic scene in November. An investment made in January will pay well in five years. Libra and Leo adore you. Your

ucky numbers are: 7, 13, 28, 1 and 40.
