## HOROSCOPES

—By Holiday—

FRIDAY, JULY 15, 2016

**ARIES** (March 21-April 19). It's a day to be assertive. If you don't ask, you won't get. If you don't leave a voicemail, they won't call back. Make the first gesture and then make the next one.

**TAURUS** (April 20-May 20). Like a feral creature you meet in the wilderness, a surprise powerful force is coming into your life. This wildcat has a gift in its mouth. Tame the lion and the gift is yours.

**GEMINI** (May 21-June 21). Just because the words sound smart or zip with wit or ring with loveliness doesn't mean they are true. Honesty will come in unassuming tones today. Sensational results will come from acting on quiet truths.

**CANCER** (June 22-July 22). Things feel different on the other side of a goal. Success changes opinions. Expect this when people you know get in a winning position. Expect this of yourself after your victory.

**LEO** (July 23-Aug. 22). Laughter is medicine. As it is with all medicine, too much of what makes you feel better will make you feel worse. Contemplation, meditation and a gentle look at the state of things are what's called for - no spin necessary.

**VIRGO** (Aug. 23-Sept. 22). Life is going fast. In the blur of events, important details could get lost. Stop a moment to calm down. Also, remembering the lessons of the past will give you more power going forward.

**LIBRA** (Sept. 23-Oct. 23). The universe will be like a chiropractor to your soul, quickly twisting and pushing to snap you back into the proper alignment. Everything will fall into place with a crackle and pop.

**SCORPIO** (Oct. 24-Nov. 21). Have you noticed how they keep coming to you with their problems? It's because you keep handling everything. Stop cultivating their helplessness or you'll soon be exhausted by the drain of it.

**SAGITTARIUS** (Nov. 22-Dec. 21). The fun will involve a level of physical risk. If it doesn't get you breathing deeply and sweating some, it won't be as much of a thrill. The less you hold back, the more you'll smile.

**CAPRICORN** (Dec. 22-Jan. 19). The one who helps you also hurts you. You're the only one who can decide if the way this weights out makes it worthwhile to you in the end. For now, just be aware with your scale on the ready.

**AQUARIUS** (Jan. 20-Feb. 18). Many heroes are drawn to help others and know how to do it well because they themselves have been, at one time or another, victims. And if you feel like more of a victim than a hero right now, this will soon turn around.

**PISCES** (Feb. 19-March 20). The other generations need you. You bring a joy to their lives that can't be duplicated by anyone else. The time you spend with someone older or younger will be received as the precious gift it is.

**TODAY'S BIRTHDAY** (July 15). Let the opportunities come to you through the next four weeks. When you stop chasing you'll see just what you have that's worthy of being chased. What you share with a loved one's family will build good will and good fortune in your own. The celebration in November requires travel. Personal improvements lead to professional ones. Aries and Gemini adore you. Your lucky numbers are: 11, 2, 15, 38 and 44.
