There are defaults by the grantor or other person owing an obligation, the performance of which is secured by the Trust Deed, with respect to provisions therein which authorize sale in the event of default of such provision; the defaults for which foreclosure is made are grantor's failure to pay real property taxes when due and grantor's failure to pay when due the following sums:

Arrearage in the sum of \$443,692.95 as of April 11, 2016, plus additional payments, property expenditures, taxes, liens, assessments, insurance, late fees, attorney's and trustee's fees and costs, and interest due at the time of reinstatement or sale.

Notice is further given that any person named in ORS 86.778 has the right, at any time prior to five days before the date last set for the sale, to have this foreclosure proceeding dismissed and the Trust Deed reinstated by payment to the beneficiary of the entire amount then due (other than such portion of the principal as would not then be due had no default occurred) and by curing any other default complained of herein that is capable of being cured by tendering the performance required under the obligation or Trust Deed, and in addition to paying said sum or tendering the performance necessary to cure the default, by paying all costs and expenses actually incurred in enforcing the obligation and Trust Deed, together with trustee's and attorney's fees not exceeding the amounts provided by said ORS 86.778.

In construing this notice, the singular includes the plural, the word "grantor" includes any successor in interest to the grantor as well as any other person owing an obligation, the performance of which is secured by said Trust Deed, and the words "trustee" and "beneficiary" include their respective successors in interest, if any.

Without limiting the trustee's disclaimer of representations or warranties, Oregon law requires the trustee to state in this notice that some residential property sold at a trustee's sale may have been used in manufacturing methamphetamines, the chemical components of which are known to be toxic. Prospective purchasers of residential property should be aware of this potential danger before deciding to place a bid for this property at the trustee's sale.

The NOTICE TO RESIDENTIAL TENANTS, attached hereto as Exhibit B, is incorporated herein by reference. [Exhibit B, NOTICE TO RESIDENTIAL TENANTS, is not published pursuant to ORS 86.774(2)(b).]
