HOROSCOPES

—By Holiday—

WEDNESDAY, JULY 20, 2016
ARIES (March 21-April 19). Business guru Raymond Aaron said, "If you don't have an assistant, you are one." You'll certainly feel like an assistant as you run around tending to dozens of details today.

TAURUS (April 20-May 20). You needn't worry about what you're going to contribute to others that will mean something. It will all happen in the moment. You'll capture hearts by just being you -- the courageous and selfless version.

GEMINI (May 21-June 21). Maybe you made some adjustments because you had to, not because you wanted to. Still, there's strength in versatility. Those adjustments will work for you, and ultimately you'll be glad you were strong enough to bend.

CANCER (June 22-July 22). That person asking you annoying questions is just trying to get to know you. Hopefully, it's flattering that someone wants to be closer to you, even if that person doesn't have a clue how to go about it.

LEO (July 23-Aug. 22). You can easily sense social tension, and when you do, your immediate response is to smooth things over with a joke or diversion. This is just one of your many charming habits.

VIRGO (Aug. 23-Sept. 22). You may be putting your all into a project, and yet the desired result still eludes you. If this makes you frustrated, all the better. A touch of angry energy will push you to reach for and achieve something better.

LIBRA (Sept. 23-Oct. 23). You're spiritually generous, and this is why you can be as enthusiastic about the successes of others as you would be if the win were your own. You'll rejoice in the chance to celebrate the people around you.

SCORPIO (Oct. 24-Nov. 21). The astral influences may have you feeling edgy. Among the many ways to work off this stress, the easiest way is to exercise. For bonus benefits, try a form of exercise you haven't endeavored before.

SAGITTARIUS (Nov. 22-Dec. 21). You've very few regrets. Everything that's happened, good and bad, has made you who you are today. You'll find a way to profit from one of your past mistakes.

CAPRICORN (Dec. 22-Jan. 19). Today will offer opportunity to develop your inner world. Your experiences will mimic the scenes in your mind, so taking charge of your imagination is a powerful way to bring about the changes you desire.

AQUARIUS (Jan. 20-Feb. 18). You've a strong will, big goals and the freedom to pursue them. This is a magic combination. The current circumstances are more precious and rare than you think. Use them to your advantage -- now!

PISCES (Feb. 19-March 20). You're used to leading in a certain arena but were you to back off and let another person help, your schedule would open up, your load would lighten and you would be quite impressed by what happens next.

TODAY'S BIRTHDAY (July 20). Your talent for rapport and knack for warming people up to you will help you reach a significant goal in August. You'll be paid well for this, but more importantly, you'll make a difference. September features you in a new role. You'll love what you and a small group build in November. February will test your skills. Pisces and Gemini adore you. Your lucky numbers are: 4, 10, 3, 33 and 12.
