HOROSCOPES

By Holiday

THURSDAY, JULY 21, 2016

ARIES (March 21-April 19). You will be where the action is, whether it seems like it at the time or not.

TAURUS (April 20-May 20). You are present for your friends when they need you. This is easier for you because you don't over-think it.

GEMINI (May 21-June 21). It will be easier to laugh and be light-hearted when you are around people who are buoyant of spirit like you are.

CANCER (June 22-July 22). Do you feel lucky to be an object of sweet affection? Your face is the first thing a certain person thinks of in the morning and the last vision of the day before drifting off to sleep.

LEO (July 23-Aug. 22). You didn't think you could do it, but you went for it anyway, and now look where you are!

VIRGO (Aug. 23-Sept. 22). Your intention to spread enough positive energy and goodwill to make a difference in the world will land lovely today.

LIBRA (Sept. 23-Oct. 23). You're a giver. The world needs more givers. But the givers of the world also need to remember that there's a point at which giving can start annoying the receivers.

SCORPIO (Oct. 24-Nov. 21). As something very pleasant drops into your world (or someone, as the case may be) caution is called for. This could be very addictive. Go slow, make good choices.

SAGITTARIUS (Nov. 22-Dec. 21). If you don't take the morning problems too personally you can likely solve most of them by the afternoon. It wouldn't be any fun at all if you could get what you needed without incident or complication!

CAPRICORN (Dec. 22-Jan. 19). Saying yes to something you'd typically decline will be the right move. Fifteen minutes chatting with a friend or playing with children will make your entire mood go brighter.

AQUARIUS (Jan. 20-Feb. 18). The recipe for today's gentle joy: one part predictability, two parts unpredictability. Plan a special occasion and you'll get just that! Nothing major is required; preparing a delicious dish may be more than enough.

PISCES (Feb. 19-March 20). Who do you suspect are the people in your life who've loved you the most? Considering the answer to this question will give you the grateful heart that allows you to extract the beauty from this day.

TODAY'S BIRTHDAY (July 21). A surprise-ball of a year! Your attitude of receptiveness (tempered only slightly, which is more than enough, by your brilliant and constant common sense) invites the wonder and "zing" while leaving out the trouble.

TODAY'S BIRTHDAY (July 21). A surprise-ball of a year! Your attitude of receptiveness (tempered only slightly, which is more than enough, by your brilliant and constant common sense) invites the wonder and "zing" while leaving out the trouble.
