HOROSCOPES

By Holiday

FRIDAY, JULY 22, 2016
ARIES (March 21-April 19). Someone near you is lonelier than you know, but you can help. It won't take much. Children aren't the only ones who are fortified by social development efforts.

TAURUS (April 20-May 20). There's a time and a place for self-scrutiny, but that's for another day. Right now, rest assured there is absolutely nothing to be gained from focusing on what you did wrong. Consider your successes and build on them.

GEMINI (May 21-June 21). The thing that will give you the most energy and motivation today will be something quite out of the ordinary. Travel off your usual path to sparkle up your mind's eye.

CANCER (June 22-July 22). Your favorite people will be around, and you'll all have time to enjoy each other, too. This is the best combination! It doesn't happen smoothly like this all the time, and you will appreciate the moments. Tonight will get even better.

LEO (July 23-Aug. 22). It will feel as though things are really starting to happen for you. Whether or not you see the hard evidence for this now, there's a vision in your head that's starting to solidify in real time.

VIRGO (Aug. 23-Sept. 22). Like most socially successful people, you spend so much time effectively controlling and censoring yourself to cater to the company you're in that when you finally find yourself with a kindred spirit, it's an absolute party.

LIBRA (Sept. 23-Oct. 23). Once you work yourself into a good mood, it will prove to be so much more than a good mood; you will exist in an optimal state of being for a long stretch. Is this because of the exercise?

SCORPIO (Oct. 24-Nov. 21). At certain times of the day your thoughts will be a whirlpool. Now, what's at the vortex of this swirl? If it's something wonderful, you might want to let yourself get dragged into it. If not, seek higher ground.

SAGITTARIUS (Nov. 22-Dec. 21). It's easier to be organized when you don't have or want much, when the distractions are few and when your hours to work on what matters are many. It won't happen naturally, but how can you make it happen?

CAPRICORN (Dec. 22-Jan. 19). A few things will be accomplished piece by piece, but a lot of things will be finished with a system. Set it up so you can scale it up. If your life were a factory, what would that look like?

AQUARIUS (Jan. 20-Feb. 18). Your most sincere wish is for the people you love to find happiness, be at peace, and experience beauty - preferably, with you as a key component to the dynamic. If not, is this still your wish?

PISCES (Feb. 19-March 20). Your inside world is a landscape, some of which is lovely, as you have cultivated with mental gardening; still, much of it is wild. There will be an opportunity to grab your weed whacker and go to town.

TODAY'S BIRTHDAY (July 22). Your solar return comes with a deep sense of flourishing. You'll watch and learn from the best over the next 10 weeks so that you can deliver a state-of-the-art product and reap the rewards of excellence. Family, love and music fill your year-end. A financial reorganization effort will help other areas of life. Capricorn and Aquarius adore you. Your lucky numbers are: 13, 39, 4, 26 and 11.
