Doing the right thing matters:

Les Schwab Tires Centers gives back to the communities where our employees live and work. We sponsor activities large and small: Supporting youth programs, opening our parking lot for fundraisers, and contributing to other local events, all show the values we believe in.

For more than 64 years, Les Schwab has been an active member of every community it serves, earning the trust of people all over the West. We have more than 450 locations in eight states, so there's a Les Schwab nearby to take care of all your driving needs.
