

Introducing Daniel S. Buck, MD EMERGENCY PHYSICIAN

As a Hermiston native, Dr. Buck has a deep sense of responsibility to provide the best care possible for our community.

Good Shepherd Health Care System provides 24-hour emergency services in our 16 bed, four trauma bay, level III trauma center. Emergency trained physicians and nursing staff are committed to treating every patient with the highest standards of care and medical expertise. Our physicians and staff are trained to care for everything from cuts, broken bones, to life threatening events. In the event of an emergency please call 9-1-1.
