HOROSCOPES

By Holiday

FRIDAY, AUGUST 5, 2016

ARIES (March 21-April 19). Pursue what you need if you know what that is. If not, let your feelings teach you as they pull you in surprising ways. They are trying to clue you in to what might lead to joy and fulfillment.

TAURUS (April 20-May 20). You have experience in controlled chaos and will be the one in charge of looking out for your people while they try to complete a mission, have a little fun and/or get inspired. Your awareness will make all the difference.

GEMINI (May 21-June 21). Your beliefs are essential to your daily actions, habits, attitudes. Have you figured out which one is getting in your way? Poke around in your own systems and thoughts. Bring your beliefs into question. One needs to go.

CANCER (June 22-July 22). Review the last four weeks. What worked and what didn't? There's a chance to quickly and easily step out of an arrangement that's simply not going to get you where you want to be.

LEO (July 23-Aug. 22). If you can travel, do it. If you can't, then reading, movies or high-quality conversations with people who've lived in places foreign to you will work almost as well to ignite your passion.

VIRGO (Aug. 23-Sept. 22). When you understand your own feelings, you understand the feelings of others. Taking a moment to ponder your own emotions this evening will help you be a good friend later this month.

LIBRA (Sept. 23-Oct. 23). The people you know expect you to behave in a particular way, but you're in a mood to try something new. This will be much easier to pull off in a crowd that doesn't know you yet.

SCORPIO (Oct. 24-Nov. 21). You've given a super-star performance, and you're ready for a break. When the attention is diverted from you, you'll consider it a pleasant change and a chance to relax.

SAGITTARIUS (Nov. 22-Dec. 21). You see no harm in making another person feel good, even if it means laying it on a bit thick with compliments that aren't exactly well-deserved. Of course, the closer you can stick to the truth, the better.

CAPRICORN (Dec. 22-Jan. 19). A lot of workers never get thanked for their contributions. So when you turn this around by acknowledging those who help you, you build confidence, morale and loyalty at once.

AQUARIUS (Jan. 20-Feb. 18). Empathy is the first step. Then again, what's the point of knowing how another person is feeling if you don't know what to do about it? Don't worry. You'll learn from others today and gain emotional intelligence points.

PISCES (Feb. 19-March 20). You're in an action-oriented mood so you'll set goals and look for ways to keep doing better. You're committed to taking initiative. You have no idea how inspiring you are to those around you.

TODAY'S BIRTHDAY (Aug. 5). You'll manage your fears, take a leap and make a change this month. In September you'll win a contest. December brings the chance to team up with friends for fun and profit. The end of a term will come in 2017 and you'll be free to launch into a new adventure by March. Dividends will come in August. Capricorn and Aquarius adore you. Your lucky numbers are: 9, 30, 1, 18 and 45
