HOROSCOPES By Holiday THURSDAY, AUGUST 11, 2016 ARIES (March 21-April 19). No matter what age you are, you've the ability to examine the situation with young eyes. Would you believe there are some parts of your past that remain unexamined? This is the perfect use for those young eyes.

TAURUS (April 20-May 20). Maybe it's not you and never was you. Maybe you're dealing with a very flawed system and people who are either blind to those flaws or are contributing to them for their own nefarious purposes. Stay positive. Make the change.

GEMINI (May 21-June 21). You sometimes wonder if the other person loves you. Why is it so important that this person experiences and expresses love the same way you do? You are in different places developmentally. One place is not better than the other.

CANCER (June 22-July 22). It used to be that when you found a penny on the street, you picked it up and put it in your pocket, not because you needed the money, but for the luck involved. Don't pass up today's pennies. Who couldn't use a little more luck?

LEO (July 23-Aug. 22). There are so many who are sick, starving and downtrodden in the world. Misery is often as close to you as your outstretched arm. Is it really fair to be this happy? Well, someone has to be. When it's your turn, take it.

VIRGO (Aug. 23-Sept. 22). If you knew what exactly was keeping you stuck, you wouldn't be. Pondering won't help. If this were a physical issue, you'd wiggle and pull until you could figure out exactly the sticking point. That's what you need to do.

LIBRA (Sept. 23-Oct. 23). In many ways you're easygoing, though in certain ways you are absolutely ruthless. For instance, your optimism about a certain project is unrelenting. You're fully invested and nothing can stop you from seeing it through.

SCORPIO (Oct. 24-Nov. 21). The trouble with people who make you feel special and valued and elevated through their praise and attention is that one can get addicted to the high. Expect withdrawal pains when the energy level inevitably dips.

SAGITTARIUS (Nov. 22-Dec. 21). There are those who only want to interact with you when you're ready to do so within the qualifications they specify. This isn't as bad as it sounds. When you're in compliance, you're at your best.

CAPRICORN (Dec. 22-Jan. 19). People will want to know about you. Get ahead of this. What do you want them to know? "Tell me about yourself" is a prompt you'd be wise to have a good response to.

AQUARIUS (Jan. 20-Feb. 18). Your energy will likely feel scattered at different points of the day - and not in a poetic way. Deep breathing, a short walk or a nutritious meal will bring you back into clear focus within the hour.

PISCES (Feb. 19-March 20). To make things more mysterious and magical for the others you must, ironically, demystify them for yourself. You'll figure out the real deal then glamorize, sensationalize and spin it. That's entertainment.

TODAY'S BIRTHDAY (Aug. 11). Your creative side is thirsty for a shot of great art. Your spiritual side needs nature. Your sporting side craves competition. All sides will be satisfied with this year's explorations. As the calendar numbers turn to 2017, your heart will seek sustenance, provided by old and new friends alike. Aries and Gemini adore you. Your lucky numbers are: 5, 17, 39, 12 and 42.
