HOROSCOPES

WEDNESDAY, AUGUST 17, 2016

ARIES (March 21-April 19). Self-acceptance creates the congruence you need to move forward. If you're not self-accepting enough to feel comfortable in all you do, baby steps toward self-love will still make a positive difference.

TAURUS (April 20-May 20). When you think, "I don't have time for this!" but then "this!" is all you're doing, it's a signal that the disparity between your higher self and lower self is at its ultimate tensile strength. What gives? Roll toward your chosen side and hang on.

GEMINI (May 21-June 21). Your social graces will put you in an excellent position with a group you might have been intimidated by once upon a time. Now you realize you're in the same league, and you're about to find out more about the games.

CANCER (June 22-July 22). Set the paces. So what if they have to run to keep up with you? They need the "exercise." Besides, they are depending on you to keep them at the top of their game.

LEO (July 23-Aug. 22). Commitment is the essence of style. Once you've made your choice, wear it and wear it hard. And if you didn't make your choice, and you're dealing with the product of unintention, this is all the more reason to own it.

VIRGO (Aug. 23-Sept. 22). You'll be impressed by someone's talent, productivity or behavior. Truly, it's because you have these same capabilities. You've exercised them in the past. You'll do it again in the near future.

LIBRA (Sept. 23-Oct. 23). Don't expect a smooth, straight ride. Roll with the turmoil, keeping your goal in mind the entire time. You'll likely land with what you desire, safe inside your grasp.

SCORPIO (Oct. 24-Nov. 21). This is no time to let things linger. If ignoring the problem isn't working and you simply can't leave the situation alone, gather up your inner fire and get ready to deal directly, head-on. Kill it with one punch.

SAGITTARIUS (Nov. 22-Dec. 21). The one who shares a bad mood with you is a true friend. Some would call this emotional dumping, or venting, but you just call it "having a gripe." There's a bond building here.

CAPRICORN (Dec. 22-Jan. 19). Even though social media makes this harder and harder, to a large extent you're still in control of what people know about you. You'll spend some of the day shaping your image to maximum effect.

AQUARIUS (Jan. 20-Feb. 18). Try not to blame the poor ignorant souls who throw a wrench in the works out of sheer inexperience. Those who know better will do better. Teach them and help them practice until they get it right.

PISCES (Feb. 19-March 20). The superstar may exhibit great strengths but that doesn't mean they can show you the way. The best instructors will be the ones with marginal talent who have made just about every mistake there is to make.

TODAY'S BIRTHDAY (Aug. 17). The cosmos trumpet a welcome to your year of big love. You'll give and receive at a more immersive level and feel what it's like to be a fixture in the lives of others. This will bring pressure at times, as well as pleasure and joy beyond measure. Family life improves in January when an agitation is eliminated or a wild element tamed. Scorpio and Libra adore you. Lucky numbers: 3, 22, 14, 39 and 50.
