# HOROSCOPES

By Holiday

WEDNESDAY, AUGUST 31, 2016

**ARIES** (March 21-April 19). Someone needs your agreement in order to move forward. The question is: Can you give it in good conscience? Politically it may help, but something about this is setting off alarms for you, and you'd be wise to heed the warning.

**TAURUS** (April 20-May 20). You don't have to be the best player on the scene to get in the game and have some fun. With your stellar attitude and sincere respect for the game, you'll do well.

GEMINI (May 21-June 21). Each environment has its own language. There's a benefit to using the same vernacular as those around you. This translates to dress, as well. Some degree of conformity is polite. Don't worry; you'll still be you.

**CANCER** (June 22-July 22). By pursuing your wide array of influences and interests, you've enhanced your chances of striking up a fascinating conversation or connecting in some small but meaningful way with a stranger.

LEO (July 23-Aug. 22). There won't be time to talk about what you're going to do. Lead the way; do it. It will be obvious to you which actions will lead to health and prosperity and which are just superfluous nonsense, counterproductive or destructive.

**VIRGO** (Aug. 23-Sept. 22). Do not invest in the broad education of the "what" today, because everything you need to know is in the details of "how." The one who can give you specific help will open new opportunities for you.

**LIBRA** (Sept. 23-Oct. 23): You revel in your Venus-ruled advantages but will also benefit from adopting some of Capricorn's powerful attributes today -- namely having to do with the shrewd management of people and money.

**SCORPIO** (Oct. 24-Nov. 21). Seeing clearly gives you the optimum advantage so you can quickly get where you want to go. Your cosmic gift of the day is excellent spiritual visibility that comes by way of a bright, nearly enlightened ally.

**SAGITTARIUS** (Nov. 22-Dec. 21). That thoughtful gesture you received a time ago still sticks in your mind as one of the more special things that someone has ever done for you. You'll get an idea today as to how to pay it forward.

**CAPRICORN** (Dec. 22-Jan. 19). All couples are weird. People make each other happy for reasons often mystifying to everyone outside of the relationship. You're in a position to either tolerate someone's relationship or (futilely) object.

**AQUARIUS** (Jan. 20-Feb. 18). True love is almost impossible to hide. Passion burns just like a mountain on fire: Don't be surprised if people smell it and see it from miles and miles away.

**PROPS (100% March 23):** There will be a stall in the action. Sweet! This is your lucky break. It's exactly the pause you needed to shift into a higher gear and take off rocket-style. Seize the day.

**TODAY'S BIRTHDAY** (Aug. 31). This year offers you more accurate and holistic ways to measure success, resulting in your exponentially escalating happiness. The next 10 weeks show you learning the intricacies of a new pursuit. You'll sock money away in September and March. October is for trading promises. Adventure sets sail in June. Leo and Sagittarius adore you. Your lucky numbers are: 5, 40, 3, 33 and 28.

## PRODUCTION OPERATOR

Pacific Ethanol, Inc.

**Purpose:** This position is responsible for effectively operating the plant equipment to ensure the quality and quantity of ethanol fuel production is optimized.

**Environment:** Pacific Ethanol is the leading producer and marketer of low-carbon renewable fuels in the western United States. With the addition of four Midwestern ethanol plants in July of 2015, we have expanded our operations and sales footprint, more than doubling our scale, entering new markets, and expanding our mission to become the industry leader in the production and marketing of low-carbon renewable fuels.

The following is a list of essential duties and responsibilities for this position along with certain supportive duties; this list is not all-inclusive. This job description may be modified as needed.

**Essential Duties and Responsibilities:**

1. Operates equipment to achieve optimal performance.
2. Adjusts equipment settings to ensure the ethanol produced meets quality and quantity expectations.
3. Inspects and maintains the equipment to ensure proper processing.
4. Inspects the quality and of the product and documents the result at certain intervals of the production process.
5. Completes daily shift production logs.
6. Coordinates with lab technicians to ensure product quality.
7. Investigates, monitors and reports deviations from production standards.

**Education/Experience:**

1. High school diploma or equivalency.
2. Minimum one-year process and equipment experience.

**Qualifications:**

1. Excellent computer skills; familiarity with operation software.
2. Excellent hand-eye coordination; safety cautious.
3. Experience working with lab testers and plant equipment.
4. Ability to follow directions, and work well with little supervision.
5. Excellent written and oral communication skills.
6. Driver's license.
7. Ability to safely and effectively coordinate multiple projects/tasks.
8. Bilingual skills are (English/Spanish) preferred.
9. Must have the ability to work different shifts and overtime. This includes the possibility of short-term and long-term shift reassignment to match the needs of the business.

To apply, and for a full list of responsibilities and requirements, please go to our Careers Page at <http://www.pacificethanol.net/careers>.  
No phone calls please.
