## HOROSCOPES

—By Holiday—

WEDNESDAY, SEPTEMBER 28, 2016

**ARIES** (March 21-April 19). You'll hash out a deal. Once you commit and move forward, differences vanish. That doesn't mean they were unimportant. In fact, it will be very helpful to name and discuss them; milk out the insight before they disappear.

**TAURUS** (April 20-May 20). So what if you make a big to-do over a trifling matter? Living artfully and blowing things out of proportion is just something that artists do. They play with scale. Just because your sizing is different, that doesn't make it wrong.

**GEMINI** (May 21-June 21). Celebrate what you've been through. Embrace the experiences in life that are written in the lines of your face. They make you better, and you're more attractive for your uniqueness.

**CANCER** (June 22-July 22). Without a map or a tour guide and nary a recommendation in sight, you launch your adventure. This aimbling journey will be rewarding, if tinged with purposelessness. Trust your sense of direction.

**LEO** (July 23-Aug. 22). You want the victory as much as anyone does, and yet you don't want it at the expense of another. This is a conundrum, because everyone can't win in the same way -- although there may be various ways that everyone can win.
