HOROSCOPES

By Holiday

FRIDAY, SEPTEMBER 30, 2016

ARIES (March 21-April 19). You care enough to learn everything about your subject of interest, and that's just the attitude that will allow you to mesmerize the powers that be with your in-depth analysis and study.

TAURUS (April 20-May 20). You're like a radio station with a 24-hour request line. The stream of suggestions may be endless, but you're not obligated to honor any of these requests. Ultimately you'll play what you want to play.

GEMINI (May 21-June 21). You need more than the usual amount of rest now to recharge and heal the daily wear and tear that affects your body and mind. There's no need to feel guilty for sleeping in, napping or turning in early.

CANCER (June 22-July 22). You feel where someone is coming from, and then stay one step ahead of the game. You're an expert at figuring out the motives of complicated characters.

LEO (July 23-Aug. 22). What you want will cause a war with what someone else wants, and the power dynamic will be worked out in interesting ways. What happens will be as much about your will as it is about the politics of the situation.
