We would like to introduce and Welcome to our Team our newest realtor, Mike Boylan!

MIKE BOYLAN

I was born and raised in Hermiston and love Eastern Oregon and all it has to offer! I reside in Hermiston with my wife, Melissa, and our five children. I am excited to be a part of this areas growth and development. For 22 years I worked in the Engineering department of a local manufactured housing company. I've always enjoyed the housing industry and helping people realize the house that was just right for their family.

I would love to help you sell your home or find the perfect home for your needs. I can offer a FREE comparative market analysis (CMA) if you are considering selling your home. I'm looking forward to serving Hermiston and the surrounding communities as a real estate broker with American West Properties. *Give me a call today!*
