

RIVER POINT Farms, America's largest grower, packer, shipper and processor of onions, has an immediate opening for a **Maintenance Manager**

River Point Farms office is located in Hermiston, Oregon. This position comes with a full benefits package, a very competitive salary and if necessary a relocation package.

Description

We are looking for a motivated individual with solid experience leading a maintenance department in support of a modern, automated, 24X7 food processing facility. The successful candidate will have the drive to develop a world class maintenance department through efficient employee and mechanical practices to ensure continued success within a team-based, continuous improvement workplace culture.

Major Responsibilities

- Provide leadership for a team of 4
- In cooperation with Plant Manager provide plant leadership
- Work cooperatively with Plant Manager and operational personnel to ensure success of plant
- Perform root cause analysis of breakdowns and implement corrective actions
- Installing, troubleshooting, and maintaining advanced electrical, computer and PLC systems
- Troubleshoot electrical equipment using test equipment and circuit diagrams
- Responsible for adjusting machinery and equipment, start-up and testing, renovating and restoring
- Responsible for performing electrical maintenance on all plant equipment to include 480V/240V/120V power systems and making necessary electrical repairs as needed
- Responsible for completing repairs in a timely matter; goal is to maintain the highest level of operational readiness
- Responsible for ensuring that all equipment changes, modifications and repairs are conducted and are in safe operating condition
- Prepare written maintenance instructions, records, and procedures
- Maintain accurate and timely records
- Maintain, troubleshoot and repair electro-mechanical equipment
- Ensure PM schedules are updated for changes in circumstances

Skills/Characteristics Desired

- Strong analytical and troubleshooting skills
- In depth understanding of electrical, mechanical, low voltage and hydraulic principles and systems
- Ability to read and interpret electrical and mechanical drawings, mechanical blueprints, electrical schematics and operating manuals
- Experience in the use of hand tools, precision measuring equipment, and machine shop equipment
- Ability to react positively to rapidly changing priorities
- Capable of independently managing multiple tasks and people
- Demonstrated initiative and an eagerness to drive continuous improvement

Education & Experience

- Minimum 10 years maintenance experience, preferably in a food processing environment
- Must be self-motivated
- Bachelor's Degree in an engineering or mechanical curriculum preferred
- Solid knowledge of food safety, GMPs and related regulatory requirements preferred
- Solid knowledge of basic math to include working with fractions and decimals, solving simple algebraic equations and English to metric/metric to English conversion of numbers
- Ability to prioritize with good time management skills
- Flexibility to work any shift as needed
- Communicate effectively in English, both written and verbal

ARIES (March 21-April 19). It makes no sense to fight for love. Usually those engaged in such a fight are mistaken about the real thing they are fighting for, which has more to do with ego and all that goes along with one's desired sense of identity.

TAURUS (April 20-May 20). Once in a while, ignoring the problem really does work. It makes it go away, or causes a perspective shift so that when we look back at the problem it no longer seems very significant or difficult to solve.

GEMINI (May 21-June 21). Don't be surprised if your rhythm is a bit jerky today, though you'll be very productive nonetheless. You could come up with a lot of solutions rapid fire and then have long lulls of mental radio silence.

CANCER (June 22-July 22). They admire your determination; you consider it a curse. When your drive is thwarted by circumstances, it causes you an awful lot of frustration. Learn more coping and calming mechanisms: You can never have enough.

LEO (July 23-Aug. 22). Note all you've done. You went out into the world despite your doubts, and you did what was necessary to come home with the goods in your hands. This is something. Maybe even everything.

VIRGO (Aug. 23-Sept. 22). For the times you made the mark, excelled passed it or fell completely short, there are corresponding reasons. Analyze without emotion. Never kick yourself for under-performing when you've done your best.

LIBRA (Sept. 23-Oct. 23). You may find yourself once again in a position to look for the work that better fits your personality and abilities. The looking isn't so fun, but the finding is heaven -- and the doing is a dream come true.

SCORPIO (Oct. 24-Nov. 21). Your talent for finding the perfect words to describe your feelings will come into play. Take your time with this. Tinker with different choices. When you get it right, you'll bring people right to where you are emotionally.

SAGITTARIUS (Nov. 22-Dec. 21). Compassion starts with self-compassion. Be gentle with your own feelings, supportive of your goals and dreams and a listening ear to your own concerns. Take care of yourself and you'll be a rather amazing friend to others.

CAPRICORN (Dec. 22-Jan. 19). The most dangerous thing around will be other people's sadness. Avoid getting caught in the whirl. Do the social equivalent of throwing a life jacket or a sturdy pole toward the downward spiral.

AQUARIUS (Jan. 20-Feb. 18). You'll happily adapt to the curve balls that friends will throw into your schedule. That they are a little unpredictable isn't inconvenient at all; in fact, right now, you'll experience it as a bonus.

PISCES (Feb. 19-March 20). Observing your inner and outer world to a great degree is something you will excel at. You might be surprised at how widely people vary in this ability, and your possession of it will help you in unforeseen ways.

TODAY'S BIRTHDAY (Oct. 5). Because of your fantastic eye you will pull together many happy environments, celebrations and professional triumphs. Before the year is over, you'll learn something to help you process feelings and strengthen your self-control -- and it will cost you next to nothing! Love is the main attraction in 2017. Cancer and Pisces adore you. Your lucky numbers are: 14, 9, 33, 28 and 50. -
