HOROSCOPES

—By Holiday—

TUESDAY, OCTOBER 11, 2016

ARIES (March 21-April 19). As for the one you've put so much thought into lately. This person makes you happy, but also makes you feel vulnerable. Old fears are surfacing through this relationship.

TAURUS (April 20-May 20). What can you do that you haven't before? The events of the day will seem to rhyme, as though everything is echoing parts of something else. There's a beauty and a comfort in this, also an annoyance.

GEMINI (May 21-June 21). Time and action will seem to play out in a very analog fashion. Unlike what occurs when you send a text or an email, you'll be able to finish an action, change your mind, take it back and redo it before it matters.

CANCER (June 22-July 22). The feeling of the day is one of unlimited potential. The idea that your best work is still out there will keep you reaching, trying, learning and committing yourself over and over to the promise.

LEO (July 23-Aug. 22). The day's work will thrust you into unusual social circumstances. You'll be sorting through the frivolous and the earnest today, finding value in both and enjoying the task of handling these sorts of things.

VIRGO (Aug. 23-Sept. 22). Over time you could grow to resent those who seem to only add to the rather mundane aspects of the day, even as you cherish those who grace your existence with a spark of the unexpected.

LIBRA (Sept. 23-Oct. 23). No matter what pessimism may abound in some around you today, your enthusiasm will be difficult to kill, because it is invisible and contagious and moves fast. Stay buoyant.

SCORPIO (Oct. 24-Nov. 21). You like to make people laugh, and you're good at it. The star of your day will be an Ed McMahon-esque sidekick -- someone who supports you, sets you up and gets a good deal of pleasure from your wit, too.

SAGITTARIUS (Nov. 22-Dec. 21). The bigger victories will get a party or some kind of epic advertisement; it will be easy to lose yourself in their pronouncement. All the more reason to raise a toast to small victories such as the one this evening.

CAPRICORN (Dec. 22-Jan. 19). You need the love and affection, but somehow it doesn't seem right to you if you have to ask for it. The problem is remedied by giving out the sort of thing that you want them to give to you. Don't worry; in time, they'll learn.

AQUARIUS (Jan. 20-Feb. 18). Just because it's the best answer doesn't make it right. You'll be inspired to ask more, go deeper and experiment. This could bother the type of person who likes to leave well-enough alone, but don't let that dissuade you.

PISCES (Feb. 19-March 20). There's something you used to try and hide or disguise. You're starting to realize that this circumstance or trait that you once deemed unacceptable may very well be the best opportunity you have to celebrate who you are.

TODAY'S BIRTHDAY (Oct. 11). As for the healing you've worked for, you'll now stop the efforts and relax into a big improvement. You'll get the other pieces to the puzzle over the next four weeks; all will pop into place to form a pretty picture. Your personal life features love and adventure in 2017. August brings professional advancement. Pisces and Leo adore you. Your lucky numbers are: 9, 40, 22, 29 and 33.

Employment335

Description
We are looking for a motivated individual with solid experience leading a maintenance department in support of a modern, automated, 24X7 food processing facility. The successful candidate will have the drive to develop a world class maintenance department through efficient employee and mechanical practices to ensure continued success within a team-based, continuous improvement workplace culture.

Major Responsibilities

- Provide leadership for a team of 4
- In cooperation with Plant Manager provide plant leadership
- Work cooperatively with Plant Manager and operational personnel to ensure success of plant
- Perform root cause analysis of breakdowns and implement corrective actions
- Installing, troubleshooting, and maintaining advanced electrical, computer and PLC systems
- Troubleshoot electrical equipment using test equipment and circuit diagrams
- Responsible for adjusting machinery and equipment, start-up and testing, renovating and restoring
- Responsible for performing electrical maintenance on all plant equipment to include 480V/240V/120V power systems and making necessary electrical repairs as needed
- Responsible for completing repairs in a timely matter; goal is to maintain the highest level of operational readiness
- Responsible for ensuring that all equipment changes, modifications and repairs are conducted and are in safe operating condition
- Prepare written maintenance instructions, records, and procedures
- Maintain accurate and timely records
- Maintain, troubleshoot and repair electro-mechanical equipment
- Ensure PM schedules are updated for changes in circumstances

Skills/Characteristics Desired

- Strong analytical and troubleshooting skills
- In depth understanding of electrical, mechanical, low voltage and hydraulic principles and systems
- Ability to read and interpret electrical and mechanical drawings, mechanical blueprints, electrical schematics and operating manuals
- Experience in the use of hand tools, precision measuring equipment, and machine shop equipment
- Ability to react positively to rapidly changing priorities
- Capable of independently managing multiple tasks and people
- Demonstrated initiative and an eagerness to drive continuous improvement

Education & Experience

- Minimum 10 years maintenance experience, preferably in a food processing environment
- Must be self-motivated
- Bachelor's Degree in an engineering or mechanical curriculum preferred
- Solid knowledge of food safety, GMPs and related regulatory requirements preferred
- Solid knowledge of basic math to include working with fractions and decimals, solving simple algebraic equations and English to metric/metric to English conversion of numbers
- Ability to prioritize with good time management skills
- Flexibility to work any shift as needed
- Communicate effectively in English, both written and verbal

Please email resume to jamie.cimmiyotti@riverpointfarms.com.
