HOROSCOPES - By Holiday

THURSDAY, OCTOBER 20, 2016 ARIES (March 21-April 19). Your love is not blind as love tends to be. You even may worry that it's a little too filled with visions today. You see close and intimately, and you see a distant future, too. TAURUS (April 20-May 20). You'll be told what to do. Having your work out for you is actually a good thing -- much better than having your work uncut and trying to figure out what you're supposed to do. GEMINI (May 21-June 21). You value family. You value family to such an extent that you feel the impetus to raise and teach relatives who aren't your children. Today is perfect for taking care of parents or another extension of your clan. CANCER (June 22-July 22). How in the world will you get ahead? List it. Think about it. Fantasize about it. Flesh it out in your mind. And then just know that in the pursuit of an ambition, many sacrifices will happen. LEO (July 23-Aug. 22). You won't mind working long, though it's a little better if the work is not so difficult. Furthermore, who depends on you? Who is waiting for you at the other end? These things will make a difference. VIRGO (Aug. 23-Sept. 22). Even though you've a full schedule, you're on the quest for delight and amusement. Friendships are your wealth. When you really like someone, you'll celebrate every one of their small victories and accomplishments. LIBRA (Sept. 23-Oct. 23). When you live in a world where every computer and phone has a camera and you never know what it's capturing, is there any privacy, really? Probably not, so it's particularly lucky today that you're doing the right thing. SCORPIO (Oct. 24-Nov. 21). You will influence others without thinking, persuade them without talking and comfort them without putting yourself out in the least. This is the magic of your cosmic gift. SAGITTARIUS (Nov. 22-Dec. 21). Here's what it will take to get clarity on the situation. First, you'll have to disassociate yourself from your current point of view. Pretend you're not you, and try out a detached, emotionless vantage. Next, you'll see. CAPRICORN (Dec. 22-Jan. 19). When loved ones shut you down, it's something to pay attention to, especially the how and why of it. The one who tries to keep you from your happiness is also threatened by your power. AQUARIUS (Jan. 20-Feb. 18). Every little thing you do is magic! At least the rest of the world sees it this way, though your tendency to be hard on yourself obscures your own vision. PISCES (Feb. 19-March 20). Some say a life without reflection is a waste. Others claim being too conscious of oneself messes up what would otherwise be beautiful living. Split the difference. Think, but don't over-think. TODAY'S BIRTHDAY (Oct. 20). Your love will be celebrated this year as you give yourself in new ways, and all the good heart energy comes back around to hug you. In 2017, the best ideas and the most horrible ones will lead to excitement, adventure and the kind of experience that looks better in a Facebook post. Wedding bells ring in July, Leo and Scorpio adore you. Your lucky numbers are: 4, 7, 10, 44 and 32.
