HOROSCOPES - By Holiday

TUESDAY, NOVEMBER 15, 2016 ARIES (March 21-April 19). If you choose to speak up on matters (and there's much worth considering that will pull you in the opposite direction) then speak clearly and from a place of total knowledge...

TAURUS (April 20-May 20). Even those who don't believe in intuition have experienced it. They chalk it up to their brain working all-of-a-sudden faster. Maybe so. Or maybe it's just working deeper and wider. Whatever it is, you'll get it today.

GEMINI (May 21-June 21). Strategy is not needed in all relationships. Those open, comfortable relationships are so precious because you don't need to overthink anything. Still, those relationships require care, too: Think of it as maintenance.

CANCER (June 22-July 22). You've developed quite a few ways of working around the people who stand in your way. When these are the same people you love with all your heart, it's harder - but still possible, if that's what's necessary.

LEO (July 23-Aug. 22). This is your life. You're sharing it so nicely, but still... it's yours. What about an adventure you go on by yourself? That hasn't happened recently, if only because you haven't made it happen. Now is as good a time as any!

VIRGO (Aug. 23-Sept. 22). The "What if?" game is a good way to break out of the confines holding you today. Get thinking about those "ifs," because some of them may actually be true.

LIBRA (Sept. 23-Oct. 23). Impulsiveness can be a good quality or a bad one. You're not usually given to act on impulse, though you'll definitely feel them tapping your psyche today. To feel it is one thing. To make your move is quite another.

SCORPIO (Oct. 24-Nov. 21). Whomever it is you're mad at, make up. Don't do it for them; do it for you. Your energy flying in that direction could be better spent. There are opportunities coming your way.

SAGITTARIUS (Nov. 22-Dec. 21). It's the simple things. Love people who love you back. Eat foods that agree with you. Move your body and you'll move your life. You'll think better when you drink more water.

CAPRICORN (Dec. 22-Jan. 19). Not everyone is going to be happy; that's a given. And yet, if you're doing your best, isn't it really (SET ITAL) their (END ITAL) fault for setting an unrealistic expectation?

AQUARIUS (Jan. 20-Feb. 18). First, just know that you don't have to have all of the answers. You don't even have to have one of them. Secondly, before you answer, think about how your answer is likely to change things.

PISCES (Feb. 19-March 20). Here's some great news: Your best is totally good enough! You have movie. You have style. You have guts. And you're in the perfect place to use all of that for good.

TODAY'S BIRTHDAY (Nov. 15). You're only greedy for the best things in life: love, beauty and truth. Because you seek them, this year will be unprecedented in its good fortune. The next 10 weeks will bring the presents straight to you, but after that you'll have to knock around to find opportunity. The initiative you show will bring you gold! Sagittarius and Virgo adore you. Your lucky numbers are: 3, 1, 4, 19 and 29.
