HOROSCOPES
By Holiday

TUESDAY, NOVEMBER 22, 2016
ARIES (March 21-April 19). To some extent you believe as your
peers do, though you also have private beliefs that you don't share
often. It's a joy when a like-minded person comes along with whom
you can converse frankly and honestly.
TAURUS (April 20-May 20). Watch your words, especially the ones
you tell yourself. Keep it sunny. It does you no good to assume that
when bad things happen it's "just your luck" -- especially today,
when fortune is truly smiling on you.
GEMINI (May 21-June 21). As for that problem you've been unable
to solve -- it's time to approach it from a theoretical place. Think big-
ger. Ponder the philosophy that's causing the pain. Then put those
thoughts aside and try once more for a practical fix.
CANCER (June 22-July 22). You could say that, when it comes to
relationships, you have an impeccable sense of rhythm. Every relation-
ship needs closeness and space. You've a knack for sensing the
right amount of each.
LEO (July 23-Aug. 22). You're not the first one with this problem. It's
been experienced by kings and slaves, poets and politicians and
saints. The solutions have been written down through the ages.
Seek the wisdom of the ancients.
VIRGO (Aug. 23-Sept. 22). Use what works for you. It doesn't mat-
ter where the item comes from, what matters is how well you can
apply it to your life for the outstanding results you've been wanting
to achieve.
LIBRA (Sept. 23-Oct. 23). You do what you do because you are
who you are. Then again, all that will change when you do different
things and become someone else. Nothing is fixed. Change will
begin with an inspiration.
SCORPIO (Oct. 24-Nov. 21). Montaigne wondered if he was play-
ing with his cat, or if he was a toy to his cat. You may feel similarly
toward a love interest today. It's something to stay aware of as the
week progresses.
SAGITTARIUS (Nov. 22-Dec. 21). Since it requires setting aside
self-interest and being guided by curiosity, the person who really
tries to get inside the head of another is few and far between. You
do it so regularly you don't even realize how special you are.
CAPRICORN (Dec. 22-Jan. 19). To endorse yourself to a mentor or
to serve a potentially wonderful customer very well would be the
very best use of your efforts today. With your natural charms, this
shouldn't be hard.
AQUARIUS (Jan. 20-Feb. 18). How is needless fear and anxiety
avoided? Scientists worldwide are paid "round the clock to sort this
out, and yet the solution may be quite simple. Identify which fears
are "needless" and focus elsewhere.
PISCES (Feb. 19-March 20). To believe in the probability that
something wonderful will happen is often the cause of something
wonderful happening. And if you never lose that belief, then you
can never be wholly disappointed.
TODAY'S BIRTHDAY (Nov. 22). If laughter is a joy for your insides,
then you could be a marathon runner with all the humor training
you get this year. Smart friends and adorable children love how you
make them laugh and they will spar with you often. The deal you
strike in January will favor you for years to come. Invest in August.
Capricorn and Gemini adore you. Your lucky numbers are: 30, 45,
28, 15 and 40.
