AURUS (April 20-May 20). While there are detailed reasons whether the second seco things must go as they do, in the broader sense, the circular nature of your business will bring with it a wallop of irony. "Crops e sold for money spent on food." -- Heraclitus

GEMINI (May 21-June 21). Gratitude will help keep you center and focused on creating the experience you want for yourself and your loved ones. Your resources are abundant, and whatever you on't have will be yours for the asking.

CANCER (June 22-July 22). It's heaven to be around people who get you, no explanation necessary. For these connections, intiate communication is subtle communication. You'll go right to the eart of the matter

LEO (July 23-Aug. 22). Finding a groove requires a bit of patience today, so don't expect things to work immediately. People need to get warmed up first, and that includes you. Breathe, smile, and ge rounded. By noon all will sync up.

VIRGO (Aug. 23-Sept. 22). Don't let details bog you down, and avoid trying to prepare for every possible scenario. Most things will go right. Later, there will be more important things to tend to than e ones you were tempted to obsess over.

LIBRA (Sept. 23-Oct. 23). Team spirit is not the job of one tear nember; rather, it's a manner in which functions of the came an xercised. Your esprit de corps will be contagious. Encourage hem to originate such a feeling, too, so it's not all on you.

SCORPIO (Oct. 24-Nov. 21). Stay out of the minutiae. Jump up to that perch that will give you the big picture view. This is the way to bring/have/make the most fun possible out of today's scenario.

SAGITTARIUS (Nov. 22-Dec. 21). You're curious about people Sometimes that curiosity kicks in years later, when it's too late to know. You're still wondering how certain things came to be. Now is your chance to ask and avoid future regret

CAPRICORN (Dec. 22-Jan. 19). There are many delights in your arsenal of social graces. Superb manners, exemplary humor, exceptional warmth - that's just the beginning. Wait till they taste vour pie!

AQUARIUS (Jan. 20-Feb. 18). You and a loved one will under stand one another perfectly as long as you're making the effort to communicate out loud. Because there's so much else going on today, your usual shorthand or telepathy with this person won'

PISCES (Feb. 19-March 20). You're already the complete pack age. You're whole. You're perfectly you, just the way you are. Make this your mantra through the day. Sure, everyone can mprove, but it's a choice, not a necessity. You're already worthy.
