HOROSCOPES - By Holiday

TUESDAY, NOVEMBER 29, 2016 ARIES (March 21-April 19). You are entitled to project your own sense of order on this beautiful chaos. Why accept other views as the way it's supposed to be done? That's their way, and this is yours.

TAURUS (April 20-May 20). Do you believe in psychic gunk? Because sometimes when you go out in the world, you actually feel like there's a film of bad energy getting transferred to you.

GEMINI (May 21-June 21). To be thoughtful and kind is the most important goal. This one goal, in the front of your mind, will organize the rest of your thoughts. It will make the complications align into simple problems to be systematically solved.

CANCER (June 22-July 22). When you're in your fan mode, you are dazzled by what's popular, selling and being supported and acclaimed. When you're in competition mode, you know that these things only signal "it's on!"

LEO (July 23-Aug. 22). Are you feeling what's outside you or what's inside you? This can be confusing for people as empathetic as you are, and that goes double when there are people close to you feeling intense emotions.

VIRGO (Aug. 23-Sept. 22). You've come to consider synchronicity as more than something that happens to you on a regular basis; it's an aspect of who you are. You'll experience a most favorable coincidence today.

LIBRA (Sept. 23-Oct. 23). Figure out what you need, and ask for it. Don't wait on this one. You may find yourself lacking certain resources and this, if left unchecked, will take a physical and emotional toll. Get what you need.
