GUITAR (AGES 8-12)

MIKE KELLISON, INSTRUCTOR

A solid introduction to guitar covering chords, rhythm and music reading, as well as care of the instrument itself. This class will provide the foundation for students to go on to play all styles of music from rock to classical to folk; and Mike will incorporate these styles as students progress. This is a great class to get kids started in music, and students who already have experience

playing will improve on their skills by taking on lead guitar parts in the group.
