Deadly Medicine: Creating the Master Race Nov. 11 - Jan. 7

Produced by the United States Holocaust Memorial Museum, this traveling exhibit uses reproductions of photographs and documents, films, and survivor testimony, to trace how the persecution of groups deemed biologically inferior led to the near annihilation of European Jewry. See how similar policies, e.g. the spread of small pox, were applied to American Indians.

ArtWorkz Junior Art Show & Competition 2017 Jan. 28 - Mar. 17, 2017

ArtWORKz 2017 features a variety of art media forms including sculpture, painting, drawing, mixed media, photography, digital computer-generated art, fiber art, and traditional Tribal work such as headwork and weaving - all created by young artists from throughout the region. An Artists Reception, open to the public, is at 1pm on Feb. 18, 2017.
