## HOROSCOPES

—By Holiday—

TUESDAY, DECEMBER 6, 2016

**ARIES** (March 21-April 19). There's so much on the agenda, and if you write it out and attack the items one by one you'll get through most of them on this incredibly productive, high-energy day.

**TAURUS** (April 20-May 20). To be concerned about what an attractive person thinks of you is a trap. You are most attractive when you base your thoughts, feelings and motivations on your own self-respect.

**GEMINI** (May 21-June 21). You wouldn't readily categorize today's task as "fun," but since you have to do it anyway, you'd do well to try to find some novel aspect to it. While looking for something fresh here, you'll accidentally delight.

**CANCER** (June 22-July 22). It's becoming clearer that in order to effectively complete the job, you need the right tools. Timeliness is crucial now. Invest in the knowledge and resources you need to be successful.

**LEO** (July 23-Aug. 22). You want to help your loved ones, and yet, if you do it all for them, you'll rob them of the pride of accomplishment. Settle back and watch a while. Only help when they're really and truly stuck.

**VIRGO** (Aug. 23-Sept. 22). It's one of those days when you find it easy to appreciate your bountiful life. There's no reason to reach out for more because as you tend to what you have, more reaches out for you.

**LIBRA** (Sept. 23-Oct. 23). You want to know what people are thinking, and you're not afraid to ask. What you learn will help you get yourself or your product aimed for maximum popularity.

**SCORPIO** (Oct. 24-Nov. 21). The temptation exists to let hype replace action. Don't let the talk get ahead of you. Too much talk and you feel you've already done the thing. The task becomes boring in comparison to the talk.

**SAGITTARIUS** (Nov. 22-Dec. 21). Before you take it too seriously or accept it as the truth, think of social media as a performance, and one that most people deliver in the most flattering of theatrical lighting.

**CAPRICORN** (Dec. 22-Jan. 19). There's something in this day that makes you nervous, and that, while uncomfortable, can be turned into a big plus for you. This is just the right level of challenge to strengthen your emotional resolve.

**AQUARIUS** (Jan. 20-Feb. 18). You want the new chapter to start, but it can't yet. These ideas haven't been explored to their natural conclusion. Go for closure. The others involved need it just as much as you do.

**PISCES** (Feb. 19-March 20). The lasting impression won't be about what you wore or how you did your hair. The lasting impression is the one that causes the other person to feel. The deeper the feeling, the more indelible the impression.

**TODAY'S BIRTHDAY** (Dec. 6). You'll enter an arena ripe with potential this year. The first decisions you make will set a tone and you could even be paid or friended based on the dynamics of the first few days. February brings a transformation; June brings travel. Joyful family events will serve as markers reminding you just how far you've come. Aries and Leo adore you. Your lucky numbers are: 8, 40, 3, 22 and 18.
