ARIES (March 21-April 19). Wanting is an affirmation that you lack something, and it only creates more of the same. Instead of wanting, feed the seed that already exists in your life, in the spirit of practical nurturing.

TAURUS (April 20-May 20). This tug on your heart is just part of the fun. Enjoy the push-and-pull game of romance. You have to admit: It would be boring if all attractions were mutual and perfectly timed.

GEMINI (May 21-June 21). Your responsibilities sometimes get in the way of relationships, but they enhance your relationships, too. Your loved ones appreciate the ways the rest of the world appreciates you.

CANCER (June 22-July 22). If you're wondering whether or not to telegraph your many mood changes, just don't. You have a sympathetic core of supporters, but why would you want to wear them out? Stoicism will serve you well.

LEO (July 23-Aug. 22). Your love will be felt even in silence. Cooking is another quiet way you express your passion. You'll be inspired by new ingredients. You'll be motivated by people who need your kind of food.

VIRGO (Aug. 23-Sept. 22). You imprint yourself on others, even when merely passing in the street. It's an interesting thing to think about your casual impression. To understand the effect you create is no small matter of mind.

LIBRA (Sept. 23-Oct. 23). Any daily activity can be a path to peace. True -- any activity at all! Slow down. Breathe. Be mindful. Your attention to experiences will involve all of your senses as you completely join with the moments of your life.

SCORPIO (Oct. 24-Nov. 21). Value. It's different for every person. He wants a thing and sees a thing as valuable. She wants and sees it, too, only with a different style of energetic placement.

SAGITTARIUS (Nov. 22-Dec. 21). You can't rest on your good looks these days. Your good acts will make up the difference. If you keep going in this direction, you may just make it to social superstardom!

CAPRICORN (Dec. 22-Jan. 19). Headlines, as a rule, have to be juicy. But you, as a rule, can bite into whatever you want... Choose carefully. There may be a lot of big words around you stacked up to provoke anxiety.

AQUARIUS (Jan. 20-Feb. 18). Your patience will be tested again and again. Sweeties will press your buttons -- an understatement, to be sure. They will actually dance on your buttons or stomp them into bits. PISCES (Feb. 19-March 20). You're smiling because you love what just happened. Tomorrow will bring more of the same. Today is a resting bit: a time to process, organize and relax.

TODAY'S BIRTHDAY (Dec. 31). It's your year to live like it's heaven on earth. State your wishes; make your preferences known. This is your moment to sate yourself and let the rest of the world adjust. February will bring an interesting alliance. In March is an investment opportunity. April will meld your ideas with the karma of your family. Cancer and Pisces adore you. Your lucky numbers are: 4, 6, 44, 43 and 28.
