WHAT INSPIRED ME TO WRITE MY FIRST BOOK.

After my 4th tour in Iraq back in November 2009, I was having a hard time shutting off the war mindset. While I struggled to keep the inner rage from war under control, I fought three years to get seen by the Mental Health Department from the United States Army. Once I established my first appointment with a Psychologist I wrote a 25 page statement about my side effects from war and gave it to them a week prior to my first appointment. I figure when you spent 6 years running back and forth to Iraq "January 2003 to November 2009" it's hard to explain or share all your problem to a Psychologist who will only give you a 50 minute session. The 25 pages has become a book which is now on a mission to stop the 22 suicided Deaths a day amongst our fellow War Veterans.
