ARIES (March 21-April 19). Who has time to judge other people? Judges. Well, they're getting paid for it. Anyone who judges but isn't getting paid for it simply doesn't have enough excitement to draw the focus

TAURUS (April 20-May 20). opportunity can be written off today. Big and small, seize them all! Be on the lookout for opportunities that don't really seem like they are. Those are he ones to catch.

GEMINI (May 21-June 21). The current problems are not interrupting your joy: in fact, they are a nice big slice of your joy. Somewhere in you, you know that you can overcome this, and overcome it you will

CANCER (June 22-July 22). You might know what the expectation would typically be in a given situation, but since there are individuals involved whose minds you can't read, you don't know what the expectation actually is. So, you may as well suit

LEO (July 23-Aug. 22). The one with the biggest picture wins every time. Today's win: The side benefits will outweigh the real ones. This will happen because you're playing a larger game than the one at the table ou're sitting around.

VIRGO (Aug. 23-Sept. 22). Everyone on the earth's face wants to feel better, but each will go about it in different ways. Today, your tolerance for another person's methods will make both of your lives easier.

SCORPIO (Oct. 24-Nov. 21). Better to take one piece of good advice and apply it to your life than to listen to 60 adages and apply none.

SAGITTARIUS (Nov. 22-Dec. 21) Bottom line: If you are worried about rejection, then your fear is stronger than your desire. It's not a good place to come from in business, and it's a disastrous position if pleasure is your

CAPRICORN (Dec. 22-Jan. 19). Your mind can be crueler to you than any person has ever been. Do not let negative thinking keep you from taking an exciting risk. If you desire it, you can break your mental chains.

AQUARIUS (Jan. 20-Feb. 18). Remember when you went from one serious relationship straight into another and missed out on all that fun? What you learned from that will inform your weekend.

PISCES (Feb. 19-March 20), People

like the idea of winging things spontaneously, because that feels fun in the mind. But when it translates to real life, well, it could go a lot of ways. And it will. It can't hurt to also have a plan in your back pocket. TODAY'S BIRTHDAY (Jan. 13). It's

not enough for you to have a good experience, because you're looking for epic. You'll get that, too, especially when you make an effort in March (and then again with a ripe opportunity of June). Hard workers nspire you to work even harder in the hot months. You'll sock away money to focus on an August opportunity. Taurus and Gemini adore you. Your lucky numbers are: 7, 30, 20, 12 and
