EAST OREGONIAN

HOROSCOPES
By Holiday

FRIDAY, JANUARY 20, 2017

ARIES (March 21-April 19). To develop a crush on someone who is unreachable, unknown or very distant is more or less common. To develop a crush on someone you're already in a committed relationship with is love at its finest.

TAURUS (April 20-May 20). Colors reflect. Sound echoes. You shine back at your love with distortions lovely and confusing, glints of sparkle and fading sunshade. It's not an accurate representation but a personal one -- the only kind a (SET ITAL) person (END ITAL) can give.

GEMINI (May 21-June 21). Why things end up where they do is a question you constantly have going in your mind today, partly because you don't want what you're working on to end up in the same way. You'll find out then plot your course differently.

CANCER (June 22-July 22). The great prizes of the day are connected with your home and all that means to you. There's a spirit you cultivate there, and it's very much alive and generating energy.

LEO (July 23-Aug. 22). People will receive your creative output in a variety of ways, some that may please you, some that may offend. You really have no control over it. As a creative person, your job is to create and let go.

VIRGO (Aug. 23-Sept. 22). The part of your mind that's wrapped up in an endless, nagging to-do list is really bogging you down. Bottom line, if it can't be scheduled, it won't be done. Either put it on the calendar or cross it off and forget it.

LIBRA (Sept. 23-Oct. 23). You'll find a new affinity for a relationship, interest or object you possess. It's like finding treasure in your own pocket. The feeling of wealth costs nothing to you. Sweet felicity!

SCORPIO (Oct. 24-Nov. 21). You will alternate between producing beautiful work and admiring the beautiful work of others. These tones are both so enjoyable and becoming on you. This is a good day.

SAGITTARIUS (Nov. 22-Dec. 21). Being too comfortable is disempowering. Agitation can be a favorable condition. Go deeper into your agitation. Let it move you to make a difference.

CAPRICORN (Dec. 22-Jan. 19). First place, second place -- it's nice to get a medal, but really what matters more is doing the best you can with what you have. It's better to feel progress and not place than to win first place without feeling progress.

AQUARIUS (Jan. 20-Feb. 18). It's fine luck that you are not tempted by the same things that others in your group find irresistible. You will help the others focus and stick to what's positive and productive.

PISCES (Feb. 19-March 20). As you bring order and tidiness to your home, you confront yourself, remember details of life, decide who you want to be, see who you are, and (bonus!) get a clean place to operate from.

TODAY'S BIRTHDAY (Jan. 20). Inside you there are many places you haven't gone yet. The potential is shimmering, though you'll have a lot of self-control in this regard so the year will gently unfold for you. Relationships are your ticket to new lands inside and out. Financial rewards are best in February, April and July. Libra and Sagittarius adore you. Your lucky numbers are: 29, 33, 10, 4 and 32.
