## Dr. Robert Rolen

### Optometric Physician

We are pleased to be serving the eye health care needs of those in Umatilla and Morrow counties for 31 years.

#### OUR SERVICES:

- Eye health examinations include a screening evaluation for glaucoma and cataracts. Special diagnostic testing is available for eye health problems discovered during routine examinations.
- We dispense and adjust spectacles. Our dispensary has more than 250 frames from which to choose - safety to high fashion.
- Dr. Rolen prescribes all forms of contact lenses - extended wear, disposable, rigid gas permeable and bifocal, to name a few.
- We bill your insurance for you! Many eye health problems are covered by major medical plans and Medicare.

Optometrists in Oregon treat eye diseases such as glaucoma and conjunctivitis and may write prescriptions for eye drops to treat many eye health problems.
