HOROSCOPES

By Holiday

WEDNESDAY, FEBRUARY 15, 2017

ARIES (March 21-April 19). Contributing to the peace of the world will not require a grand gesture, just a little tolerance. Here's one sample recipe: 1. Leave well enough alone. 2. Don't fix what isn't broken. 3. Mind your own business.

TAURUS (April 20-May 20). You'll have to spend some money to go to the next level in a study, hobby or project. Is this really an expense, though, or is it a worthy investment in who you are?

GEMINI (May 21-June 21). It's going to take an unrelentingly positive attitude to push through these early stages of a difficult project. Soon enough, you'll be able to quit manufacturing cheer, because you'll have enough actual positive reasons to continue.

CANCER (June 22-July 22). You're innovative in your attempt to solve problems big and small. Right now, while you're busy doing it, there's someone out there saying it can't be done.

LEO (July 23-Aug. 22). You can't take people at face value. The quiet ones might be concealing big emotion; the sweet ones can have a delightfully wicked edge; the funny ones get sad; the sad ones get funny. You wouldn't have it any other way.

VIRGO (Aug. 23-Sept. 22). What you love will reward you for loving it. Try it and see. Also, be mindful of your loving style. Try to match it up with the preferences of your beloved over your own.

LIBRA (Sept. 23-Oct. 23). As the world becomes increasingly litigious the contracts made in conversation seem less important to some. That's why people who keep their word are superstars of good character.

SCORPIO (Oct. 24-Nov. 21). Those with beautiful superficiality may also have deep beauty. Give it whirl and find out. You'll sense the true depth of a person inside five minutes of conversation.

SAGITTARIUS (Nov. 22-Dec. 21). Today will bring a series of inspired blunders and, like a skilled detective (Clouseau or Columbo), your unassuming ways will allow for the solving of a mystery.

CAPRICORN (Dec. 22-Jan. 19). You may know experts and gurus, but your own personal history is by far your greatest teacher. Future success will depend on today's review of what you did right, and what you could have done differently.

AQUARIUS (Jan. 20-Feb. 18). You decided upon a particular goal long ago but never could quite figure out how to fit the steps toward accomplishment into your life. That's because the timing wasn't as good as it is now. Try again.

PISCES (Feb. 19-March 20). You could change history just by saying yes. It follows that you can also change it by saying no. Today brings the rare black-and-white decision. Only say yes if you can say it emphatically.

TODAY'S BIRTHDAY (Feb. 15). You are the one who matters most to someone. Knowing that you have unconditional love and support gives you courage to do difficult things. You'll choose what you think is right, not what they pressure you to choose, and this sets off a chain of liberating choices. You'll love the development in April. Taurus and Gemini adore you. Your lucky numbers are: 2, 38, 9, 11 and 40.

River Point Farms, America's largest grower, packer, shipper and processor of onions, has an immediate opening for a Central Functions Manager. River Point Farms is located in Hermiston, Oregon. This position comes with a competitive salary and full benefits package.

Description
Manage and coordinate logistics, warehouse, facilities, transportation and customer activities. Lead and direct strategic planning for logistics and customer needs. Coordinates with Fleet and Shipping Supervisors, Fresh Pack and Processing Plant managers, Inventory Manager, and Farm Directors.

Principal Responsibilities
Logistics/Intracompany Transfer
*Responsible for departmental strategies for appropriate inventory levels.
*Develop methods and procedures for scheduling of raw materials from fields or storages to pack or processing facilities.
*Procure and Communicate with Trucking Companies for all freight needs.
*Manage usage and inventory of, repair parts, PPE, packaging and employee supplies to forecast demand and avoid overstocking and shortages.
*Work closely with all facilities regarding order flow process by forecasting delays product issues, or situations that could impact operations.
*Oversee and ensure all logistics-related operations comply with applicable health, safety and other regulatory rules and regulation (DOT).
*Drive and facilitate activities that improve coordination and communication within the logistics department and other departments throughout the company.
*Participate in personnel development at all levels through performance reviews and providing opportunity for high performers.

Facilities

*Responsible for upkeep and maintenance of storage buildings, shops, and all RPF grounds including Fresh pack plant and Processing Plant grounds.
*Track repairs and ensure competitive rates on ventilation and refrigeration facilities.
*Work with outside ventilation vendors to ensure timeliness of repairs.
*Develop long term maintenance repair schedule for capital improvements to facilities.
*Perform raw inventory estimates on a monthly basis or as needed.
*Manage ORST crews and ensure efficiencies.
*Oversee all bin activities and repairs.

Budgeting

*Responsible for the development and management of the annual operating and capital budgets.
*Ensure that each department is operating and performing to budget and implementing necessary changes to meet operating and budget goals.

Education & Experience

*Bachelor's degree in transportation and logistics, supply chain, ag-business or related field of study.
*Minimum of five to seven years of working experience in transportation or logistics.

EOE - Please email resume to jcimmiyotti@riverpointfarms.com.
