PUBLIC NOTICES

GLOSSARY OF TERMS

Default: Failure to fulfill an obligation, especially the obligation to make payments on a loan.
Encumbrance: A right to interest in, or legal liability attached to a property that may lessen its value, such as a lien, lease or easement.
Foreclosure: The legal process of terminating an owner's interest in property and forcing a sale, usually as the result of a default under a mortgage.
Lien: A legal claim asserted over a property, usually to secure payment for a debt or obligation.
Mortgage: A legal agreement that conveys the conditional right of ownership on an asset or property by its owner to a lender as security for a loan.
Probate: The legal process that resolves a deceased person's debts so the executor or personal representative can distribute assets in an estate according to a will.
Trustee: a holder of property on behalf of a beneficiary.

Disclaimer: The foregoing terms and definitions are provided merely as a guide to the reader and are not offered as authoritative definitions of legal terms.

About Public Notices

Public notices inform citizens about the activities of government bodies — such as budgets and public hearings, upcoming meetings and elections — so that citizens can make their opinions known before an action is taken or a rule or law is made. They also include information about foreclosures, unclaimed and forfeited property, estate claims and probate notices, summons, and calls for bids.

Notices under this classification are required by law to run in a newspaper of general circulation. A notarized proof of publication will be provided for all notices. Some notices may require pre-payment. Deadline for submission is 3pm, three (3) working days prior to required publication date. The East Oregonian will accept responsibility for printing errors on the first publication only. Submit to:
Terri Briggs or Dayle Stinson
211 SE Byers Ave.
Pendleton, Or 97801

WHEN PUBLIC NOTICES REACH THE PUBLIC, EVERYONE BENEFITS.

Some officials want to move notices from newspapers to governmentrun websites, where they may not be easily found.

Why try to fix something that isn't broken?
