HOROSCOPES

By Holiday

SATURDAY, FEBRUARY 18, 2017

ARIES (March 21-April 19). Just as you have often clicked "Agree" without reading the internet agreement jargon that goes along with the software download, you might have agreed to what a loved one wants without fully understanding what it is.

TAURUS (April 20-May 20). It's human nature to feel entitled to the things that the other humans close by seem to have. Those who compare and fall short become discontented. It makes you think twice about whom you surround yourself with.

GEMINI (May 21-June 21). There are people with similar talents to yours who do a similar job to what you can do. But it's not the same. Your contributions are rare! No one else can do what you do in the way you do it.

CANCER (June 22-July 22). It's the people who have known one another for a long time who find it the most challenging to refrain from argument and bickering that they would never engage in with less-familiar people.

LEO (July 23-Aug. 22). Certain rituals have served you well. Build on the trend by creating a ritual around the habit you want to incorporate in your daily life. Put in the style and quirkiness that will make it your own.

VIRGO (Aug. 23-Sept. 22). You'd rather be acknowledged for something minute and very specific to you than accept big, general praise. You'll get your wish in a compliment you can take to heart.

LIBRA (Sept. 23-Oct. 23). Maybe you want something you shouldn't want. Then again, what if you thought that it was perfectly acceptable to want whatever you want in whatever quantity you believe would be most satisfying?

SCORPIO (Oct. 24-Nov. 21). You contribute daily to the lives of others in ways big and small. Good fortune follows your indulgence in an artistic whimsy; appreciating the arts in any way at all counts.

SAGITTARIUS (Nov. 22-Dec. 21). Your light, casual curiosity about the people you encounter today is nonetheless focused enough to be flattering. Perfect strangers will open up and tell you what their innermost circle doesn't even know.

CAPRICORN (Dec. 22-Jan. 19). Your relationship with someone from a different generation will get interesting. You may realize that there is much you know that can never really be understood by people who weren't your age when it happened.

AQUARIUS (Jan. 20-Feb. 18). The generosity you deal out today is hardly unusual, though those who are not used to the perks that come with being your friend may experience it as such.

PISCES (Feb. 19-March 20). In the fairy tales, someone is a hero and someone gets saved. Today's real-life scenario features several heroes who save themselves through the process of helping others.

TODAY'S BIRTHDAY (Feb. 18). Family business booms this year. Aesthetic choices will matter more than you might have guessed over the next 10 weeks. As you make your environment lovelier and better suited to you, you attract fascinating people. The opportunities in July and September will pay double on the investment. Sagittarius and Virgo adore you. Your lucky numbers are: 14, 18, 20, 45 and 33.
